**BROOKFIELD, Wis., March 14, 2023** – [Fiserv Inc.](#), a leading global provider of payments and financial services technology solutions with a flagship presence in Nebraska, and [Nancy Lieberman Charities](#) unveiled a Dream Court™ at Omaha's Florence Community Center. The leading-edge court will provide a safe space for neighborhood children to play, learn the importance of teamwork and good sportsmanship, and build relationships with the community.

The new facility, which joins an existing court at the South Omaha Boys & Girls Club to become the second Dream Court in the city, was dedicated with a ribbon-cutting ceremony, followed by a basketball clinic attended by local youth. Fiserv and Nancy Lieberman Charities teamed up with the City of Omaha, the Omaha Police Department and Omaha Parks and Recreation to gift the court to the community.

"I'm so excited to come back to Omaha; I lived here for a number of years and have many memories, so to now create our second Dream Court in the city is extremely gratifying," said Basketball Hall of Famer and two-time Olympian, Nancy Lieberman, founder of Nancy Lieberman Charities. "Kids will have their own Dream Court to fulfill their dreams, compete and build lifelong friendships. I'm grateful to my Fiserv family for this partnership with the City of Omaha."

"The Dream Court provides opportunities to motivate and inspire young people to learn more than the rules of the game. They learn good sportsmanship and tolerance, what it feels like to win and lose, and the importance of respect for others. These life lessons are always important," said Omaha Mayor Jean Stothert. "We are grateful to Fiserv and Nancy Lieberman Charities for supporting Omaha and our youth."

The court at Florence Community Center is high school regulation size, 50-by-84 feet, with two new basketball goals. It features a high-performance PowerGame™ surface from Sport Court®, with the Dream Court logo as its centerpiece and Fiserv branding featured on both halves of the court.

"We are honored to partner with Nancy Lieberman Charities and Fiserv and be the recipient of a Dream Court. This will make an amazing impact in this part of Omaha, and we are incredibly excited about our engagement with the surrounding neighborhoods' youth," said Matthew Kalcevich, Director, City of Omaha Parks and Recreation. "Partnerships like these are the wave of the future. As a Parks and Recreation Department, we always look for ways to enhance our service and provide for the community. An addition like this truly hits the mark."

"Fiserv is committed to serving the communities where we live, work, and play by doing our part to make a lasting and positive impact," said Joanne Sebbly, Chief Risk Officer of Fiserv. "It is our hope that this Dream Court provides local youth enjoyment and enrichment as a place to feel motivated, inspired, to be their best selves and to form the building blocks of success."
