Global fintech leader recognized for “making direct payments possible” through Clover, the world’s smartest point-of-sale system

MILWAUKEE--(BUSINESS WIRE)--Jul. 1, 2025--

Fiserv, Inc. (NYSE: FI), a leading global provider of payments and financial services technology solutions, today announced that it has been named to the TIME100 Most Influential Companies 2025 list for the first time in the company’s 40-year history. Selected by TIME editors with insights from global contributors and correspondents, plus outside experts, the TIME100 Most Influential Companies list celebrates companies shaping the future through impact, innovation, ambition, and success.

As a leading global fintech operating at the intersection of financial institutions and businesses, Fiserv is an essential enabler of electronic transactions across the entire global financial ecosystem. The company touches nearly 100% of U.S. households and serves over six million merchant locations globally, authorizing nearly 90 billion transactions each year. Fiserv is trusted by nearly 10,000 financial institutions globally to provide best-in-class financial technology.

Central to the Company’s TIME recognition is its Clover platform, the point-of-sale system that serves nearly 800,000 small and medium-sized businesses. By enabling commerce, payments, and financial and business services, Clover delivers solutions that enable, connect, and empower people, businesses, and communities with market-leading technology.

“Being included on the TIME100 Most Influential Companies list is a testament to our belief that businesses in today’s dynamic landscape need more than just a payment solution—they need a future-forward approach to commerce,” saidNeil Wilcox, Head of Corporate Social Responsibility at Fiserv. “This recognition reinforces our mission to move money in ways that support our clients and positively impact lives and communities.”
