INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE

There are hereby incorporated by reference in this Prospectus the Company's: (i) Annual Report on Form 10-K for the fiscal year ended December 31, 1994, filed with the Securities and Exchange Commission (the "Commission") on February 28, 1995; and (ii) all other reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act since December 31, 1994.

Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Prospectus.

The Company hereby undertakes to provide without charge to each person to whom this Prospectus is delivered, upon the written or oral request of such person, a copy of any and all of the documents incorporated by reference in this Prospectus, other than exhibits to such documents (unless such exhibits are specifically incorporated by reference into the documents that this Prospectus incorporates). Written or oral requests for such copies should be directed to Mr. Charles W. Sprague, Secretary, FIServ, Inc., 255 FIServ Drive, Brookfield, Wisconsin 53045, telephone (414) 879-5000.

The Company's headquarters are located at 255 FIServ Drive, Brookfield, Wisconsin 53045, telephone (414) 879-5000. FIServ was incorporated as a Delaware corporation in 1984, and reincorporated as a Wisconsin corporation in 1992. The terms "FIServ" and the "Company" as used herein mean FIServ, Inc. and, unless the context otherwise requires, its consolidated subsidiaries.

THE COMPANY

FIserv is a leading independent provider of financial data processing systems and related information management services and products to banks, credit unions, mortgage banks, savings institutions and other financial intermediaries. These services and products are based primarily on proprietary software developed by FIserv and maintained on computers located at data processing centers in 66 cities. FIserv believes that it is the largest processor of accounts for the nation's savings institutions and ranks among the leaders in account processing for banks and credit unions. FIserv maintains full-service account and transaction processing systems for approximately 2,500 financial institutions with over 42 million service bureau accounts. FIserv delivers this account and transaction processing in all four of the traditional delivery modes: service bureau; facilities management; resource management; and in-house software. FIserv also provides electronic banking services, which include Automated Teller Machine ("ATM")/Electronic Funds Transfer ("EFT") services to financial institutions, driving and switching over 4,000 ATMs and processing approximately 150 million ATM transactions annually, and check and share draft remittance and back-office processing to financial institutions, handling approximately 2.45 billion items per year through its 34 regional item processing centers. In addition, FIserv provides trust administration services for IRAs and other retirement plans, and furnishes microcomputer software to financial institutions for asset/liability management. The total client base served by FIserv includes more than 5,000 financial institutions. FIserv believes that its focus on customer service and the contractual nature of its business, combined with its historical renewal experience, provide a high level of recurring revenues.

Since FIserv's formation in 1984, it has expanded its operations through over 50 acquisitions and internally through the growth of existing clients. From 1988 to 1994, FIserv's revenues increased from \$125 million to \$563.6 million, its operating income increased from \$15.5 million to \$69.2 million and its net income grew from \$9.2 million to \$37.66 million. During this period, net income per common and common equivalent share increased from \$.33 to \$.95. On April 6, 1995, FIserv entered into a Stock Purchase Agreement to purchase Information Technology, Inc. ("ITI") for approximately \$373,000,000, two-thirds in cash and one-third in FIserv Common Stock. ITI is wholly-owned by the Selling Stockholders. The acquisition is subject to several conditions precedent, including receipt of government approvals, and is expected to close by the end of May.

USE OF PROCEEDS

All proceeds from the sale of the Shares to be sold pursuant to this Prospectus will be for the account of the Selling Stockholders. As a consequence, the Company will not receive any proceeds from the sale of the Shares offered by the Selling Stockholders.

DIVIDEND POLICY

The Company has not paid cash dividends on its Common Stock. The Company intends to retain earnings for use in its business and, therefore, does not anticipate paying any cash dividends in the foreseeable future. The Company's existing long-term debt instruments contain provisions limiting the amount of cash dividends the Company can pay.

PLAN OF DISTRIBUTION

The Shares may be sold from time to time by the Selling Stockholders or by pledgees, donees, transferees or other successors in interest. Such sales may be made in any one or more transactions (which may involve block transactions) in the over-the-counter market, on NASDAQ, and any exchange in which the Common Stock may then be listed, or otherwise in negotiated transactions or a

combination of such methods of sale, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The Selling Stockholders may effect such transactions by selling Shares to or through broker-dealers, and such broker-dealers may sell the Shares as agent or may purchase such Shares as principal and resell them for their own account pursuant to this prospectus. Such broker-dealers may receive compensation in the form of underwriting discounts, concessions or commissions from the Selling Stockholders and/or purchasers of Shares from whom they may act as agent (which compensation may be in excess of customary commissions).

The Company has informed the Selling Stockholders that the anti-manipulative rules under the Securities Exchange Act of 1934 (Rules 10b-6 and 10b-7) may apply to their sales of Shares in the market. Also, the Company has informed the Selling Stockholders of the need for delivery of copies of the Prospectus in connection with any sale of securities registered hereunder in accordance with applicable prospectus delivery requirements.

In connection with such sales, the Selling Stockholders and any participating brokers and dealers may be deemed to be "underwriters" as defined in the Securities Act. In addition, any of the Shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this Prospectus.

In order to comply with certain state securities laws, if applicable, the Common Stock will not be sold in a particular state unless such securities have been registered or qualified for sale in such state or an exemption from registration or qualification is available and complied with.

LEGAL MATTERS

The validity of the issuance of the shares of the Common Stock offered hereby will be passed upon for the Company by Charles W. Sprague, Executive Vice President, General Counsel and Secretary of the Company. Mr. Sprague beneficially owns 9,375 shares of FIServ Common Stock, which number includes vested but unexercised stock options.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

In general, the Wisconsin Business Corporation Law provides that a corporation shall indemnify directors and officers for all reasonable expenses incurred in connection with the successful defense of actions arising in connection with their service as directors and officers of the corporation. In other cases, the Wisconsin statute provides that the corporation shall indemnify a director or officer against liability unless the director or officer breached or failed to perform a duty owed to the corporation and such breach or failure meets certain specified criteria constituting, in general, some act of misconduct. In addition, the corporation may reimburse a director or officer for his expenses in defending against actions as they are incurred upon the director's or officer's written request accompanied by a written affirmation of his good faith belief that he has not breached or failed to perform his duties to the corporation and a written undertaking to repay amounts advanced if it is ultimately determined that indemnification is not required under the Wisconsin Business Corporation Law. A court of law may order that the corporation provide indemnification to a director or officer if it finds that the director or officer is entitled thereto under the applicable statutory provision or is fairly and reasonably entitled thereto in view of all the relevant circumstances, whether or not such indemnification is required under the applicable statutory provision.

The Wisconsin Business Corporation Law specifies various procedures pursuant to which a director or officer may establish his right to indemnification.

Provided that it is not determined by or on behalf of the corporation that the director or officer breached or failed to perform a duty owed to the corporation and such breach or failure meets certain specified criteria constituting, in general, some act of misconduct, a Wisconsin corporation may provide additional rights to indemnification under its articles of incorporation or by-laws, by written agreement, by resolution of its board of directors or by a vote of the holders of a majority of its outstanding shares.

The Registrant's By-laws provide for indemnification and advancement of expenses of directors and officers to the fullest extent provided by the Wisconsin Business Corporation Law. This provision is not exclusive of any other rights to indemnification or the advancement of expenses to which a director or officer may be entitled under any written agreement, resolution of directors, vote of stockholders, by law or otherwise.

ITEM 17. UNDERTAKINGS.

The undersigned Registrant hereby undertakes to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the information statement.

The undersigned registrant hereby undertakes to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act), that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned Registrant hereby further undertakes that:

(1) For purposes of determining any liability under the Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The closing of the transactions contemplated by this Agreement (the "Closing") shall take place at the offices of Fiserv, Inc., 255 Fiserv Drive, Brookfield, WI 53045, on a date no sooner than 45 days after the date hereof or immediately following the expiration of the requisite waiting periods under the HSR Act and the effectiveness of the Registration Statement to be filed pursuant to Section 3.07 hereof, if later, or at such other place or at such other date as Sellers and Fiserv may mutually agree (such date and effective time of Closing is herein called the "Closing Date"); it being understood and agreed, however, that for all purposes relating to Taxes (as that term is hereinafter defined) the Closing shall be deemed effective as of the close of business on the Closing Date.

SECTION 1.04 Payments to Sellers on the Closing Date. On the Closing Date, in full consideration for the sale, conveyance, transfer and delivery to Fiserv of all the Shares, Fiserv shall pay to Sellers (a) by wire transfer of immediately available funds the cash portion of the Purchase Price, without interest, and (b) by delivery of stock certificates evidencing the number of shares of Fiserv Common Stock determined in accordance with Section 1.02(a).

If the net worth (assets minus liabilities) of the Company as set forth in such statement shall exceed the sum of \$5,000,000, the amount of such difference shall be an addition to the Purchase Price and Fiserv shall promptly pay the amount of such addition to the Principal Stockholders. If the net worth of the Company as set forth in such statement shall be less than \$5,000,000, the Purchase Price shall be reduced by the amount of such difference and the Principal Stockholders shall promptly repay the amount of such reduction to Fiserv. Any addition to or reduction of the Purchase Price shall be paid in cash and shall be treated as allocable, pro rata, solely among the Principal Stockholders and shall not affect in any manner the amount received by the other Sellers for their Shares. If Sellers shall so elect, FIServ shall designate a qualified representative selected by Sellers to pursue such proceedings, including any appeal of an adverse decision, all at Sellers' expense.

(e) To the extent permitted by applicable law, the parties shall elect to treat the period that includes the Closing Date with respect to any Income Tax as ending at the close of business on the Closing Date and shall take such steps as may be necessary therefor. For purposes of this indemnification, any Income Taxes for a period which includes but does not end on the Closing Date shall be allocated between the Pre-Closing Period and the balance of the period based on a closing of the books as of the close of the Closing Date, provided, however, that exemptions, allocations and deductions that are required to be calculated on an annual basis and any real property or personal property taxes shall be allocated based on the relative number of days in the Pre-Closing Period and the balance of the period.

SECTION 5.03 General Indemnity. (a) Subject to the terms and conditions of this Article V (other than Section 5.06), the Principal Stockholders, jointly and severally (reserving as to one another all rights of contribution and indemnity), hereby agree to indemnify and hold FIServ, the Company and their affiliates harmless on an after-tax basis from and against all damages to and liabilities of FIServ, including without limitation those resulting from or relating to demands, claims, actions or causes of action, assessments or other losses, costs and expenses relating thereto, interest and penalties thereon and reasonable attorneys' fees and expenses in respect thereof, by reason of or resulting from (i) a breach of any representation or warranty of the Sellers or the Principal Stockholders, which survives the Closing, contained in or made pursuant to this Agreement, (ii) any fraudulent misrepresentation by the Sellers, the Principal Stockholders or the Company, as the case maybe, contained in or made pursuant to this Agreement, or (iii) the fraudulent failure of the Sellers, the Principal Stockholders or, on or prior to the Closing Date, the Company, as the case may be, to disclose information material to the determination of FIServ to purchase the Common Stock of the Company, but only if such nondisclosure has a material adverse effect upon FIServ subsequent to the Closing.

(b) Subject to the terms and conditions of this Article V (other than Section 5.06), FIServ hereby agrees to indemnify, defend and hold the Sellers harmless from and against all damages to and liabilities of the Sellers, including without limitation those resulting from or relating to demands, claims, actions or causes of action, assessments or other losses, costs and expenses relating thereto, interest and penalties thereon and reasonable attorneys' fees and expenses in respect thereof, by reason of or resulting from (i) a breach of any representation or warranty of FIServ contained in or made pursuant to this Agreement, (ii) any failure of FIServ duly to perform or observe any term, provision, covenant or agreement to be performed or observed by FIServ pursuant to this Agreement or (iii) the conduct of the business of the Company by FIServ subsequent to the Closing Date.

(c) The parties hereby acknowledge and agree that their sole and exclusive remedy with respect to any and all claims relating to the subject matter of this Agreement (other than a claim for fraud or for specific performance of the terms of this Agreement) shall be pursuant to the indemnification provisions set forth in this Article V. Notwithstanding the foregoing, the provisions of Section 5.06 shall be the exclusive provisions of this Agreement covering the subject matter thereof.

(d) The parties shall take all reasonable steps to mitigate all liabilities and damages upon and after becoming aware of any event which could reasonably be expected to give rise to such liabilities and damages. In no event shall any party be liable for consequential damages.

SECTION 5.04 Third Party Claims. If any claim, assertion or proceeding by or in respect of a third party is made against an indemnified party or any event in respect of a third party occurs, and if the indemnified party intends to seek indemnity with respect thereto under this Article V (other than Section 5.06) or to apply any damage or liability arising therefrom to the \$100,000 amount referred to in Section 5.05, the indemnified party shall promptly notify the indemnifying party of such claim in writing. The indemnifying party shall have 30 days after receipt of such notice to undertake, conduct and control, through counsel of its own choosing and at its expense, the settlement or defense thereof, and the indemnified party shall cooperate with it in connection therewith; provided, that, (a) the indemnifying party shall permit the indemnified party to participate in such settlement or defense through counsel chosen by the indemnified party; provided that the fees and expenses of such counsel shall be borne by the indemnified party, (b) the indemnifying party shall promptly reimburse the indemnified party for the full amount of any liability resulting from such claim and all related and reasonable expenses (other than the fees and expenses of counsel as aforesaid) incurred by the indemnified party within the limits of this Article V (other than Section 5.06) and subject to the \$100,000 amount referred to in Section 5.05, (c) the indemnified party shall not, without the prior written consent of the indemnifying party, settle or compromise any claim or consent to the entry of any judgment which does not

include as an unconditional term thereof the giving by the claimant or the plaintiff to the indemnified party a release from all liability in respect of such claim and (d) nothing herein shall require any indemnified party to consent to the entry of any order, injunction or consent decree affecting its ability to conduct its business operations after the date thereof. So long as the indemnifying party is reasonably contesting any such claim in good faith, the indemnified party shall not pay or settle any such claim. Notwithstanding the foregoing, the indemnified party shall have the right to pay or settle any such claim, provided that in such event it shall waive any right to indemnity therefor by the indemnifying party. If the indemnifying party does not notify the indemnified party within 30 days after the receipt of the indemnified party's written notice of a claim of indemnity hereunder that it elects to undertake the defense thereof, the indemnified party shall have the right to contest, settle or compromise the claim in the exercise of its reasonable judgment at the expense of the indemnifying party.

SECTION 5.05 Limitation on Indemnities. No claim for indemnification will be made by FIServ or the Company or by Sellers under Section 5.03(a)(i) or (b)(i) hereof with respect to any individual item of liability or damage unless and to the extent that the aggregate of all such claims by FIServ or the Company or by Sellers, as the case may be, shall be in excess of \$100,000, and neither FIServ or the Company nor Sellers, as the case may be, shall be required to pay or be liable for the first \$100,000 in aggregate amount of such damages and liabilities. Payments by an indemnifying party pursuant to Section 5.03 shall be limited to the amount of any liability or damage that remains after deducting therefrom any insurance proceeds and any indemnity, contribution or other similar payment reasonably recoverable by the indemnified party from any third party with respect thereto, and otherwise shall be adjusted to reflect the amount of any tax benefit realized by the indemnitee as a result of any reduction in the Purchase Price. Notwithstanding anything to the contrary contained in this Agreement, no claim by any party hereto may be asserted, nor may any action be commenced against any party hereto, for breach of any representation, warranty, covenant or agreement unless notice thereof is received in writing describing in reasonable detail the facts or circumstances with respect to the subject matter of such claim on or before the date on which the representation, warranty, covenant or agreement on which such claim or action is based ceases to survive as set forth in Section 5.01, irrespective of whether the subject matter of such claim or action shall have occurred before, on or after such date. Any payment made by the Sellers to FIServ or the Company, as the case may be, under Article V shall constitute a reduction of the Purchase Price for all purposes, including federal, state and local tax as well as financial accounting purposes. The provisions of Section 5.04 and this Section 5.05 shall not apply to claims for indemnification under Section 5.02 or 5.06 hereof.

SECTION 5.06 Securities Act Indemnification. (a) In connection with the registration of FIServ Common Stock under the Securities Act pursuant to Section 3.07 hereof, FIServ will indemnify and hold harmless each seller of FIServ Common Stock thereunder and each underwriter of FIServ Common Stock thereunder and each other person, if any, who controls such seller or underwriter within the meaning of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which such seller or underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement under which such FIServ Common Stock was registered under the Securities Act pursuant to Section 3.07, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each such seller, each such underwriter and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that FIServ will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by such seller (pursuant to Section 2.02(g) or otherwise), such underwriter or such controlling person in writing specifically for use in such Registration Statement or prospectus.

(b) In connection with the registration of FIServ Common Stock under the Securities Act pursuant to Section 3.07 hereof, each seller of FIServ Common Stock thereunder, severally and not jointly, will indemnify and hold harmless FIServ and each person, if any, who controls FIServ within the meaning of the Securities Act, each officer of FIServ who signs the Registration Statement, each director of FIServ, each underwriter and each person who controls any underwriter within the meaning of the Securities Act, against all losses, claims, damages or liabilities, joint or several, to which FIServ or such officer or director or underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement under which such FIServ Common Stock was

registered under the Securities Act pursuant to Section 3.07, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse FIServ and each such officer, director, underwriter and controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that such seller will be liable hereunder in any such case if and only to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information pertaining to such seller, as such, furnished in writing to FIServ by such seller (pursuant to Section 2.02(g) or otherwise) specifically for use in such Registration Statement or prospectus; provided, further, however, that the liability of each seller hereunder shall be limited to the proportion of any such loss, claim, damage, liability or expense which is equal to the proportion that the public offering price of shares sold by such seller under such Registration Statement bears to the total public offering price of all securities sold thereunder, but not to exceed the proceeds received by such seller from the sale of FIServ Common Stock covered by such Registration Statement.

(c) Promptly after receipt by an indemnified party under this Section 5.06 of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party hereunder, notify the indemnifying party in writing thereof, but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party other than under this Section 5.06. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in and, to the extent it shall wish, to assume and undertake the defense thereof with counsel satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume and undertake the defense thereof, the indemnifying party shall not be liable to such indemnified party under this Section 5.06 for any legal expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation and of liaison with counsel so selected; provided, however, that, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be reasonable defenses available to it which are different from or additional to those available to the indemnifying party, or if the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, the indemnified party shall have the right to select a separate counsel and to assume such legal defenses and otherwise to participate in the defense of such action, with the expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the indemnifying party as incurred.

(d) Notwithstanding the foregoing, any indemnified party shall have the right to retain its own counsel in any such action, but the fees and disbursements of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party shall have failed to retain counsel for the indemnified person as aforesaid or (ii) the indemnifying party and such indemnified party shall have mutually agreed to the retention of such counsel. It is understood that the indemnifying party shall not, in connection with any action or related actions in the same jurisdiction, be liable for the fees and disbursements of more than one separate firm qualified in such jurisdiction to act as counsel for the indemnified party. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment.

(e) If the indemnification provided for in the first two paragraphs of this Section 5.06 is unavailable or insufficient to hold harmless an indemnified party under such paragraphs in respect of any losses, claims, damages or liabilities or actions in respect thereof referred to therein, then each indemnifying party shall in lieu of indemnifying such indemnified party contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or actions in such proportion as appropriate to reflect the relative fault of FIServ, on the one hand, and the underwriters and the sellers of such FIServ Common Stock, on the other, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or actions, as well as any other relevant equitable considerations, including the failure to give any notice under the third paragraph of this Section 5.06. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact relates to information supplied by FIServ, on the one hand, or the underwriters and the sellers of such FIServ Common Stock, on the other, and to the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. FIServ and each seller of FIServ Common Stock, severally and not jointly, agree that it would not be just and equitable if contributions pursuant to this paragraph were determined by pro rata allocation (even if all of the sellers of such FIServ

Common Stock were treated as one entity for such purpose) or by any other method of allocation which did not take account of the equitable considerations referred to above in this paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or action in respect thereof, referred to above in this paragraph, shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this paragraph, no seller hereunder shall be required to contribute any amount in excess of the lesser of (i) the proportion that the public offering price of shares sold by such seller under such Registration Statement bears to the total public offering price of all securities sold thereunder, but not to exceed the proceeds received by such seller from the sale of FIServ Common Stock covered by such registration statement and (ii) the amount of any damages which they would have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission. No person guilty of fraudulent misrepresentations (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who is not guilty of such fraudulent misrepresentation.

(f) The indemnification of underwriters provided for in this Section 5.06 shall be on such other terms and conditions as are at the time customary and reasonably required by such underwriters. In that event the indemnification of the sellers of FIServ Common Stock in such underwriting shall at the sellers' request be modified to conform to such terms and conditions.

ARTICLE VI

FURTHER ASSURANCES

SECTION 6.01 Further Assurances. At any time and from time to time on and after the Closing Date (i) at the request of FIServ, Sellers shall deliver to FIServ any records, documents and data possessed by Sellers and not previously delivered to FIServ to which FIServ is entitled and execute and deliver or cause to be executed and delivered all such deeds, assignments, consents, documents and further instruments of transfer and conveyance, and take or cause to be taken all such other actions, as FIServ may reasonably deem necessary or desirable in order to fully and effectively vest in FIServ, or to confirm its title to and possession of, the Shares or to assist FIServ in exercising rights with respect thereto which FIServ is entitled to exercise pursuant to the terms of this Agreement; and (ii) FIServ shall execute and deliver or cause to be executed and delivered such further instruments and take or cause to be taken such further actions as Sellers may reasonably deem necessary or desirable to carry out the terms and provisions of this Agreement.

SECTION 6.02 Books and Records. (a) FIServ agrees that it shall preserve and keep all books and records relating to the Company in FIServ's possession until six months following the expiration of the statute of limitations (including extensions thereof) applicable to the Tax Returns filed by or with respect to the Company for taxable periods ending prior to or on the Closing Date to which such books or records are relevant. After such time, before FIServ shall dispose of any of such books and records, at least 90 calendar days' prior written notice to such effect shall be given by FIServ to the Principal Stockholders, and the Principal Stockholders shall be given an opportunity, at their sole cost and expense, to remove all or any part of such books and records as the Principal Stockholders may select, and the Principal Stockholders may retain copies thereof. Duly authorized representatives of Sellers shall, upon reasonable notice, have access to such books and records during normal business hours to examine, inspect and copy such books and records.

(b) In any instance in which either a Seller, the Company or FIServ, as the case may be, is required to prepare or file (or cause to be filed) Tax Returns which cover a period that includes the Closing Date or to respond to an audit by the Internal Revenue Service or other governmental agency with respect to a period prior to the Closing Date, each Seller, the Company or FIServ, as the case may be, will furnish all information and records reasonably available to it and reasonably requested of him, her or it and necessary or appropriate for use in preparing such returns or responding to such audit.

SECTION 6.03 Preparation of Income Tax Returns and Payment of Taxes. Sellers shall be responsible for the preparation, signing and filing of all Income Tax Returns of the Company for all taxable periods ending on or prior to the Closing Date (including the short taxable period ending on the Closing Date). Sellers shall be responsible for the payment of all Income Taxes related to any Pre-Closing Period unless and to the extent it is accrued, provided for or accounted for on the Closing Date. Sellers shall furnish FIServ with a copy of the Income Tax Return proposed to be filed with respect to any Pre-Closing Period with sufficient time for FIServ to review such Income Tax Return prior to its due date. FIServ and its affiliates shall provide such cooperation as may reasonably be requested in the filing of such Income Tax Returns. FIServ and/or the Company shall be responsible for the preparation of all other Tax Returns of the Company due after the Closing Date and the payment of all amounts due on such Tax Returns.

ARTICLE VII

MISCELLANEOUS

SECTION 7.01 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by the mutual written consent of Sellers and FIServ;

(b) by Sellers, if the Closing shall not have occurred by the 90th calendar day after the date hereof through no fault of Sellers; or

(c) by either Sellers or FIServ, if the Closing shall not have occurred prior to the first anniversary of this Agreement; provided, however, that the right to terminate this Agreement under this Section 7.01(c) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur prior to such date.

SECTION 7.02 Effect of Termination. In the event of termination of this Agreement as provided in Section 7.01, this Agreement shall forthwith become void and there shall be no liability on the part of any party hereto, except that (i) Sections 3.03, 7.03, 7.08, 7.09, 7.10 and 7.14 hereof shall survive such termination and (ii) nothing herein shall relieve any party from liability for any willful breach of any other provision hereof.

Whether or not the transactions contemplated by this Agreement are consummated, none of the parties hereto shall have any obligation to pay any of the fees and expenses of the other parties incident to the negotiation, preparation and execution of this Agreement, including the fees and expenses of counsel, accountants and other experts. Each of Sellers, the Company and FIServ will indemnify the other parties, and hold them harmless from and against any claims for finders' fees or brokerage commissions in relation to or in connection with such transactions as a result of any agreement or understanding between such indemnifying party and any third party. Sellers shall pay and be responsible for any stock transfer Taxes arising from the sale of the Shares hereunder.

SECTION 7.04 Execution in Counterparts. For the convenience of the parties, this Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Any party hereto (as to itself, but not as to other parties without their consent) may, by written notice to the other parties hereto, (i) extend the time for the performance of any of the obligations or other actions of the other parties under this Agreement; (ii) waive any inaccuracies in the representations or warranties of another party contained in this Agreement or in any document delivered pursuant to this Agreement; (iii) waive compliance with any of the conditions or covenants of another party contained in this Agreement; or (iv) waive performance of any of the obligations of another party under this Agreement. Except as otherwise provided in the preceding sentence or Section 3.02 hereof, no action taken pursuant to this Agreement, including without limitation any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained in this Agreement. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed a waiver of any subsequent breach.

SECTION 7.07 Amendments, Supplements, etc. At any time this Agreement may be amended or supplemented by such additional agreements, articles or certificates, as may be determined by the parties hereto to be necessary, desirable or expedient to further the purposes of the Agreement, or to clarify the intention of the parties hereto, or to add to or modify the covenants, terms or conditions hereof or to effect or facilitate any governmental approval or acceptance of this Agreement or to effect or facilitate the filing or recording of this Agreement or the consummation of any of the transactions contemplated hereby. Any such instrument must be in writing and signed by all parties.

SECTION 7.08 Entire Agreement. This Agreement, its Exhibits and Schedules and the documents executed on the Closing Date in connection herewith, constitute the entire agreement between the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings, oral and written, between the parties hereto with respect to the subject matter hereof. No representation, warranty, promise, inducement or statement of intention has been made by any party hereto which is not embodied in this Agreement or such other documents, and no party hereto shall be bound by, or be liable for, any alleged representation, warranty, promise, inducement or statement of intention not embodied herein or therein.

SECTION 7.09 Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Nebraska.

SECTION 7.10 Binding Effect, Benefits. This Agreement shall inure to

Notwithstanding anything contained in this Agreement to the contrary, nothing in this Agreement, expressed or implied, is intended to confer on any person other than the parties hereto or their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

SECTION 7.11 Assignability. Neither this Agreement nor any of the parties' rights hereunder shall be assignable by any party hereto without the prior written consent of the other parties hereto, except that FIServ may assign its rights and delegate its obligations hereunder to a wholly-owned subsidiary of FIServ, provided FIServ remains obligated as the guarantor of such subsidiary's performance and, provided further, the stock deliverable to the Principal Stockholders as part of the Purchase Price remains the fully registered Common Stock of FIServ.

SECTION 7.12 Disclosure Schedule. Disclosure of information in any portion of the Disclosure Schedule hereto shall be deemed disclosure in all other portions of the Disclosure Schedule.

SECTION 7.13 Public Announcements. FIServ, Sellers and the Company will consult with each other before issuing any press release or otherwise making any public statement with respect to the transactions contemplated herein and shall not issue any such press release or make any such public statement without the approval of the other, unless counsel has advised such party that such release or other public statement must be issued immediately and the issuing party has not been able, despite its good faith efforts, to secure the prior approval of the other party.

SECTION 7.14 Invalid Provisions. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future law, rule or regulation, such provision shall be fully severable and this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof. The remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

EXHIBIT A

REGISTRATION RIGHTS AGREEMENT

, 1995

To the several persons named
on Annex A hereto

Dear Sirs:

This will confirm that in connection with the acquisition of all the outstanding capital stock of Information Technology, Inc., a Nebraska corporation (the "Company"), by FIServ, Inc., a Wisconsin corporation ("FIServ"), pursuant to the Stock Purchase Agreement dated as of April 6, 1995 (the "Stock Purchase Agreement") among FIServ, The Stockholders Named in Annex I Thereof (the "Stockholders") and the Company which provides for the issuance as purchase consideration of an aggregate number of whole shares of Common Stock, \$.01 par value, of FIServ as is determined under the provisions thereof (referred to herein as the "Restricted Stock" (as such term is defined herein)), and as an inducement to you to enter into the Stock Purchase Agreement and to consummate the transactions contemplated thereby, FIServ hereby covenants and agrees with each of you, and with each subsequent holder of Restricted Stock, as follows:

1. Certain Definitions. As used herein, the following terms shall have the following respective meanings:

"Commission" shall mean the Securities and Exchange Commission, or any other federal agency at the time administering the Securities Act.

"Common Stock" shall mean the shares of common stock, \$.01 par value, of FIServ, as constituted as of the date of this Agreement.

"Exchange Act" shall mean the Securities Exchange Act of 1934, as amended, or any similar federal statute, and the rules and regulations of the Commission thereunder, all as the same shall be in effect at the time.

"Registration Expenses" shall mean the expenses so described in Section 7 hereof.

"Restricted Stock" shall mean any shares of capital stock of the Company owned by any of the Shareholders and any subsequent holders, the certificates for which are required to bear the legend set forth in Section 2 hereof (which shares consist on the date hereof of the _____ shares of Common Stock issued to the Shareholders on the date hereof).

"Securities Act" shall mean the Securities Act of 1933 or any similar federal statute, and the rules and regulations of the Commission thereunder, all as the same shall be in effect at the time.

"Selling Expenses" shall mean the expenses so described in Section 7 hereof.

2. Restrictive Legend. Each certificate representing the Common Stock issued to the Stockholders and each certificate issued upon exchange or transfer of any such Common Stock, until such legend is removed or such shares are sold in accordance with the other provisions hereof, shall be stamped or otherwise imprinted with a legend substantially in the following form:

"THE SHARES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS THEY HAVE BEEN REGISTERED UNDER THAT ACT OR AN EXEMPTION FROM REGISTRATION IS AVAILABLE."

3. Notice of Proposed Transfer. Prior to any proposed transfer of any Restricted Stock (other than pursuant to the Registration Statement on Form S-3 filed by FIServ pursuant to Section 3.07 of the Stock Purchase Agreement or under the circumstances described in Section 4 or 5 hereof), the holder thereof shall give written notice to FIServ of its intention to effect such transfer. Each such notice shall describe the manner of the proposed transfer and, if requested by FIServ, shall be accompanied by an opinion of counsel reasonably satisfactory to FIServ to the effect that the proposed transfer of the Restricted Stock may be effected without registration under the Securities Act, whereupon the holder of such Restricted Stock shall be entitled to transfer such Restricted Stock in accordance with the terms of its notice. Each certificate of Restricted Stock transferred as above provided shall bear the legend set forth in Section 2, unless (i) such transfer is in accordance with the provisions of Rule 144 (or any other rule permitting public sale without registration under the Securities Act) or (ii) the opinion of counsel referred to above is to the further effect that the transferee and any subsequent transferee would be entitled to transfer such securities in a public sale without registration under the Securities Act.

The foregoing restrictions on transferability of Restricted Stock shall terminate as to any particular shares of Restricted Stock when such shares shall have been effectively registered under the Securities Act and sold or otherwise disposed of in accordance with the intended method of disposition by the seller or sellers thereof set forth in the registration statement concerning such shares. Whenever a holder of Restricted Stock is able to reasonably demonstrate to FIServ (and its counsel) that the provisions of Rule 144(k) of the Securities Act are available to such holder without limitation, such holder of Restricted Stock shall be entitled to receive from FIServ, without expense, a new certificate not bearing the restrictive legend set forth in Section 2.

4. Required Registration.

(a) At any time prior to the fourth anniversary hereof the holders of Restricted Stock may request FIServ to register under the Securities Act all or any portion of the Restricted Stock held by such requesting holder or holders for sale in the manner specified in such notice.

(b) Promptly following receipt of any notice under this Section 4, FIServ shall immediately notify any holders of Restricted Stock from whom notice has not been received and shall use its best efforts to register (or amend an existing registration statement to provide for registration) under the Securities Act, for public sale in accordance with the method of disposition specified in such notice from requesting holders, the number of shares of Restricted Stock specified in such notice (and in any notices received from other holders within 20 days after their receipt of such notice from FIServ). If such method of disposition shall be an underwritten public offering, FIServ may designate the managing underwriter of such offering. Notwithstanding anything to the contrary contained herein, the obligation of FIServ under this Section 4 shall be deemed satisfied only when a registration statement covering all shares of Restricted Stock specified in notices received as aforesaid, for sale in accordance with the method of disposition specified by the requesting holder, shall have become effective. If such method of disposition is a firm commitment underwritten public offering, the obligation of FIServ under this Section 4 shall be deemed satisfied only when a registration statement covering all shares of Restricted Stock specified in notices received as aforesaid, for sale in a firm commitment underwritten public offering, shall have become effective and all such shares shall have been sold pursuant thereto.

(c) FIServ and any other party having registration rights with respect to FIServ Common Stock (or securities convertible into or exchangeable for FIServ Common Stock) shall be entitled to include in any registration statement referred to in this Section 4, for sale in accordance with the method of disposition specified by the requesting holders, shares of Common Stock to be sold by FIServ for its own account or for the account of such other parties, except as and to the extent that, in the opinion of the managing underwriter (if such method of disposition shall be an underwritten public offering), such inclusion would adversely affect the marketing of the Restricted Stock to be sold. It is expressly understood that, notwithstanding the provisions of this Section 4, FIServ shall be permitted to effect another registration of its Common Stock, whether for its own account or that of other holders, during the period

from the date of receipt of a notice from requesting holders pursuant to this Section 4 until the completion of the period of distribution of the registration contemplated thereby.

5. Incidental Registration. If FIServ at any time prior to the fourth anniversary hereof (other than pursuant to Section 4 hereof) proposes to register any of its Common Stock under the Securities Act for sale to the public, whether for its own account or for the account of other security holders or both (except with respect to registration statements on Form S-4 or S-8 or another form not available for registering the Restricted Stock for sale to the public), it will give written notice at such time to all holders of outstanding Restricted Stock of its intention to do so. Upon the written request of any such holder, given within 10 days after receipt of any such notice by FIServ, to register any of its Restricted Stock (which request shall state the intended method of disposition thereof), FIServ will use its best efforts to cause the Restricted Stock as to which registration shall have been so requested, to be included in the securities to be covered by the registration statement proposed to be filed by FIServ, all to the extent requisite to permit the sale or other disposition by the holder (in accordance with its written request) of such Restricted Stock so registered. In the event that any registration pursuant to this Section 5 shall be, in whole or in part, an underwritten public offering of Common Stock, any request by a holder pursuant to this Section 5 to register Restricted Stock shall be deemed to be such holder's agreement to sell such shares exclusively in such offering on the same terms and conditions as the shares of Common Stock otherwise being sold through underwriters under such registration. The number of shares of Restricted Stock to be included in such an underwriting may be reduced pro rata among the requesting holders of Restricted Stock based upon the number of shares so requested to be registered if and to the extent that the managing underwriter shall reasonably and in good faith determine that such inclusion would adversely affect the marketing of the securities to be sold by FIServ therein.

Notwithstanding anything to the contrary contained in this Section 5, in the event that there is a firm commitment underwritten public offering of securities of FIServ pursuant to a registration covering Restricted Stock and a holder of Restricted Stock does not elect to sell his Restricted Stock to the underwriters of FIServ's securities in connection with such offering, such holder shall refrain from selling such Restricted Stock during the period of distribution of the Company's securities by such underwriters and the period in which the underwriting syndicate participates in the after market; provided, however, that such holder shall, in any event, be entitled to sell its Restricted Stock commencing on the 90th day after the effective date of such registration statement.

6. Registration Procedures and Expenses. If and whenever FIServ is required by the provisions of Section 4 or 5 hereof to use its best efforts to effect the registration of any of the Restricted Stock under the Securities Act, FIServ will, as expeditiously as possible:

(a) prepare and file with the Commission a registration statement (which, in the case of an underwritten public offering pursuant to Section 4 hereof, shall be on Form S-3 or other form of general applicability satisfactory to the managing underwriter selected as therein provided) with respect to such securities and use its best efforts to cause such registration statement to become and remain effective for the period of the distribution contemplated thereby (determined as hereinafter provided);

(b) prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for the period specified in paragraph (a) above and as comply with the provisions of the Securities Act with respect to the disposition of all Restricted Stock covered by such registration statement in accordance with the sellers' intended method of disposition set forth in such registration statement for such period;

(c) furnish to each seller and to each underwriter such number of copies of the registration statement and the prospectus included therein (including each preliminary prospectus) as such persons may reasonably request in order to facilitate the public sale or other disposition of the Restricted Stock covered by such registration statement;

(d) use its best efforts to register or qualify the Restricted Stock covered by such registration statement under the securities or blue sky laws of such jurisdictions as the sellers of Restricted Stock or, in the case of an underwritten public offering, the managing underwriter, shall reasonably request;

(e) immediately notify each seller under such registration statement and each underwriter, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus contained in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the

circumstances then existing;

(f) use its best efforts (if the offering is underwritten) to furnish, at the request of any seller, on the date that Restricted Stock is delivered to the underwriters for sale pursuant to such registration:

(i) an opinion dated such date of counsel representing FIServ for the purposes of such registration, addressed to the underwriters and to such seller, stating that such registration statement has become effective under the Securities Act and that (A) to the best knowledge of such counsel, no stop order suspending the effectiveness thereof has been issued and no proceedings for that purpose have been instituted or are pending or contemplated under the Securities Act, (B) the registration statement, the related prospectus, and each amendment or supplement thereof, comply as to form in all material respects with the requirements of the Securities Act and the applicable rules and regulations of the Commission thereunder (except that such counsel need express no opinion as to financial statements contained therein) and (C) to such other effects as may reasonably be requested by counsel for the underwriters or by such seller or its counsel, and (ii) a letter dated such date from the independent public accountants retained by FIServ, addressed to the underwriters and to such seller, stating that they are independent public accountants within the meaning of the Securities Act and that, in the opinion of such accountants, the financial statements of FIServ included in the registration statement or the prospectus, or any amendment or supplement thereof, comply as to form in all material respects with the applicable accounting requirements of the Securities Act, and such letter shall additionally cover such other financial matters (including information as to the period ending no more than five business days prior to the date of such letter) with respect to the registration in respect of which such letter is being given as such underwriters or seller may reasonably request; and

(g) make available for inspection by each seller, any underwriter participating in any distribution pursuant to such registration statement, and any attorney, accountant or other agent retained by such seller or underwriter, all financial and other records, pertinent corporate documents and properties of FIServ, and cause FIServ's officers, directors and employees to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement and permit such seller, attorney, accountant or agent to participate in the preparation of such registration statement.

For purposes of paragraphs (a) and (b) above and of Section 4(c) hereof, the period of distribution of Restricted Stock in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Restricted Stock in any other registration shall be deemed to extend until the earlier of the sale of all Restricted Stock covered thereby or nine months after the effective date thereof.

In connection with each registration hereunder, the selling holders of Restricted Stock will furnish to FIServ in writing such information with respect to themselves and the proposed distribution by them as shall be reasonably necessary in order to assure compliance with federal and applicable state securities laws.

In connection with each registration pursuant to Sections 4 and 5 hereof covering an underwritten public offering, FIServ agrees to enter into a written agreement with the managing underwriter selected in the manner herein provided in such form and containing such provisions as are customary in the securities business for such an arrangement between major underwriters and companies of FIServ's size and investment stature; provided, however, that such agreement shall not contain any such provision applicable to FIServ which is inconsistent with the provisions hereof and provided, further, however, that the time and place of the closing under said agreement shall be as mutually agreed upon among FIServ, such managing underwriter and the selling holders of Restricted Stock.

7. Expenses. All expenses incurred by FIServ in complying with Sections 4 and 5 hereof, including, without limitation, all registration and filing fees, printing expenses, fees and disbursements of counsel and independent public accountants for FIServ, fees of the National Association of Securities Dealers, Inc., transfer taxes, fees of transfer agents and registrars and reasonable fees and expenses of counsel for the sellers of Restricted Stock, but excluding any Selling Expenses, are herein called "Registration Expenses". All underwriting discounts and selling commissions applicable to the sale of Restricted Stock are herein called "Selling Expenses".

FIServ will pay all Registration Expenses in connection with each registration statement filed pursuant to Section 4 or 5 hereof. All Selling Expenses in connection with any registration statement filed pursuant to Section 4 or 5 hereof shall be borne by the participating sellers in proportion to the number of shares sold by each, provided, however, that if the sale of Restricted Stock hereunder shall be effected in a firm commitment underwritten public offering, then FIServ and such sellers shall share equally any Selling

Expenses incurred in connection with such firm commitment underwritten public offering, and provided, further, however, that if the sale of Restricted Stock hereunder shall be effected in a firm commitment underwritten public offering that shall occur because the sellers of Restricted Stock were unable to dispose of their Restricted Stock pursuant to any registration statement of FIServ effected pursuant to Section 3.07 of the Stock Purchase Agreement, as that registration statement may be amended from time to time, or in another equivalent manner, then FIServ shall pay all Selling Expenses incurred by such sellers. In addition, except as contemplated herein FIServ shall pay any additional out-of-pocket expenses incurred by any sellers of Restricted Stock that may result because such sellers did not receive fully registered shares of Common Stock from FIServ pursuant to the Stock Purchase Agreement.

8. Indemnification. In the event of a registration of any of the Restricted Stock under the Securities Act pursuant to Section 4 or 5 hereof, FIServ will indemnify and hold harmless each seller of such Restricted Stock thereunder and each underwriter of Restricted Stock thereunder and each other person, if any, who controls such seller or underwriter within the meaning of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which such seller or underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which such Restricted Stock was registered under the Securities Act pursuant to Section 4 or 5, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each such seller, each such underwriter and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that FIServ will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by such seller, such underwriter or such controlling person in writing specifically for use in such registration statement or prospectus.

In the event of a registration of any of the Restricted Stock under the Securities Act pursuant to Section 4 or 5 hereof, each seller of such Restricted Stock thereunder, severally and not jointly, will indemnify and hold harmless FIServ and each person, if any, who controls FIServ within the meaning of the Securities Act, each officer of FIServ who signs the registration statement, each director of FIServ, each underwriter and each person who controls any underwriter within the meaning of the Securities Act, against all losses, claims, damages or liabilities, joint or several, to which FIServ or such officer or director or underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the registration statement under which such Restricted Stock was registered under the Securities Act pursuant to Section 4 or 5, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse FIServ and each such officer, director, underwriter and controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that such seller will be liable hereunder in any such case if and only to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information pertaining to such seller, as such, furnished in writing to FIServ by such seller specifically for use in such registration statement or prospectus; provided, further, however, that the liability of each seller hereunder shall be limited to the proportion of any such loss, claim, damage, liability or expense which is equal to the proportion that the public offering price of shares sold by such seller under such registration statement bears to the total public offering price of all securities sold thereunder, but not to exceed the proceeds received by such seller from the sale of Restricted Stock covered by such registration statement.

Promptly after receipt by an indemnified party hereunder of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party hereunder, notify the indemnifying party in writing thereof, but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party other than under this Section 8. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in and, to the extent it shall wish, to assume and undertake the defense thereof with counsel satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume and undertake the defense thereof, the indemnifying

party shall not be liable to such indemnified party under this Section 8 for any legal expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation and of liaison with counsel so selected; provided, however, that, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be reasonable defenses available to it which are different from or additional to those available to the indemnifying party, or if the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, the indemnified party shall have the right to select a separate counsel and to assume such legal defenses and otherwise to participate in the defense of such action, with the expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the indemnifying party as incurred.

Notwithstanding the foregoing, any indemnified party shall have the right to retain its own counsel in any such action, but the fees and disbursements of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party shall have failed to retain counsel for the indemnified person as aforesaid or (ii) the indemnifying party and such indemnified party shall have mutually agreed to the retention of such counsel. It is understood that the indemnifying party shall not, in connection with any action or related actions in the same jurisdiction, be liable for the fees and disbursements of more than one separate firm qualified in such jurisdiction to act as counsel for the indemnified party. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment.

If the indemnification provided for in the first two paragraphs of this Section 8 is unavailable or insufficient to hold harmless an indemnified party under such paragraphs in respect of any losses, claims, damages or liabilities or actions in respect thereof referred to therein, then each indemnifying party shall in lieu of indemnifying such indemnified party contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or actions in such proportion as appropriate to reflect the relative fault of FIServ, on the one hand, and the underwriters and the sellers of such Restricted Stock, on the other, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or actions, as well as any other relevant equitable considerations, including the failure to give any notice under the third paragraph of this Section 8. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact relates to information supplied by FIServ, on the one hand, or the underwriters and the sellers of such Restricted Stock, on the other, and to the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. FIServ and each of you agree that it would not be just and equitable if contributions pursuant to this paragraph were determined by pro rata allocation (even if all of the sellers of such Restricted Stock were treated as one entity for such purpose) or by any other method of allocation which did not take account of the equitable considerations referred to above in this paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or action in respect thereof, referred to above in this paragraph, shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this paragraph, no seller hereunder shall be required to contribute any amount in excess of the lesser of (i) the proportion that the public offering price of shares sold by such seller under such registration statement bears to the total public offering price of all securities sold thereunder, but not to exceed the proceeds received by such seller for the sale of Restricted Stock covered by such registration statement and (ii) the amount of any damages which they would have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission. No person guilty of fraudulent misrepresentations (within the meaning of Section 11(f) of the Securities Act), shall be entitled to contribution from any person who is not guilty of such fraudulent misrepresentation.

The indemnification of underwriters provided for in this Section 8 shall be on such other terms and conditions as are at the time customary and reasonably required by such underwriters. In that event the indemnification of the sellers of Restricted Stock in such underwriting shall at the sellers' request be modified to conform to such terms and conditions.

9. Changes in Common Stock. If, and as often as, there are any changes in the Common Stock by way of stock split, stock dividend, combination or reclassification, or through merger, consolidation, reorganization or recapitalization, or by any other means, appropriate adjustment shall be made in the provisions hereof, as may be required, so that the rights and privileges granted hereby shall continue with respect to the Common Stock as so changed.

10. Rule 144 Reporting. FIServ agrees with you as follows:

(a) FIServ shall make and keep public information available, as those

terms are understood and defined in Rule 144 under the Securities Act.

(b) FIServ shall file with the Commission in a timely manner all reports and other documents as the Commission may prescribe under Section 13(a) or 15(d) of the Exchange Act.

(c) FIServ shall furnish to such holder of Restricted Stock forthwith upon request (i) a written statement by FIServ as to its compliance with the reporting requirements of Rule 144, and of the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), (ii) a copy of the most recent annual or quarterly report of FIServ, and (iii) such other reports and documents so filed as a holder may reasonably request to avail itself of any rule or regulation of the Commission allowing a holder of Restricted Stock to sell any such securities without registration.

11. Miscellaneous.

(a) All covenants and agreements contained in this Agreement by or on behalf of any of the parties hereto shall bind and inure to the benefit of the respective successors and assigns of the parties hereto whether so expressed or not. Without limiting the generality of the foregoing, the registration rights conferred herein on the holders of Restricted Stock shall inure to the benefit of any and all subsequent holders from time to time of the Restricted Stock for so long as the certificates representing the Restricted Stock shall be required to bear the legend specified in Section 2 hereof.

(b) All notices, requests, consents and other communications hereunder shall be in writing and shall be mailed by first class registered mail, postage prepaid, addressed as follows:

if to FIServ, to it at: P.O. Box 979, Brookfield, WI 53008-0979, Attention: Kenneth R. Jensen;

if to any holder of Restricted Stock, at their addresses as set forth in Annex I hereto; and

if to any subsequent holder of Restricted Stock to it at such address as may have been furnished to FIServ in writing by such holder;

or, in any case, at such other address or addresses as shall have been furnished in writing to FIServ (in the case of a holder of Restricted Stock) or to the holders of Restricted Stock (in the case of FIServ).

(c) This Agreement shall be governed by and construed in accordance with the laws of the State of Wisconsin.

(d) This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and may not be modified or amended except in writing.

(e) This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Please indicate your acceptance of the foregoing by signing and returning the enclosed counterpart of this letter, whereupon this letter (herein sometimes called "this Agreement") shall be a binding agreement between FIServ and you.

Very truly yours,

FORM OF OPINION FOR THE COMPANY AND STOCKHOLDERS

, 1995

Fiserv, Inc.
255 Fiserv Drive
Brookfield, WI 53045

Dear Sirs:

We have acted as counsel to Information Technology, Inc., a Nebraska corporation (the "Company"), and the stockholders of the Company (the "Sellers") in connection with the Stock Purchase Agreement dated as of April 6, 1995 (the "Agreement") among Fiserv, Inc., a Wisconsin corporation ("Fiserv"), the Sellers and the Company. All capitalized terms used herein and not defined herein have the meanings assigned to them in the Agreement.

In that connection, we have examined such documents and have reviewed such questions of law as we have considered necessary and appropriate for the purposes of this opinion. In rendering this opinion, we have assumed the authenticity of all documents submitted as originals, the genuineness of all signatures and the conformity to authentic originals of all documents submitted as copies. As to questions of fact material to this opinion, we have relied upon representations of officers of the Company and the Sellers and of public officials (including without limitation those certificates delivered to parties at the Closing Date).

Based upon the foregoing, we are of the opinion that:

1. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Nebraska, has corporate power and authority to own all of its properties and assets and to carry on its business as it is now being conducted, and is duly qualified to do business and is in good standing in each other jurisdiction as set forth in the Disclosure Schedule.

2. The authorized capital stock of the Company consists of 20,000 shares of Company Common Stock of which as of the date hereof 20,000 shares of Company Common Stock are validly issued and outstanding, fully paid and non-assessable, all of which are held of record by the Sellers and no shares of Company Common Stock are in the treasury of the Company. As of the date hereof, to our knowledge, the Company has no commitments to issue or sell any shares of its capital stock or any securities or obligations convertible into or exchangeable for, or giving any person any right to subscribe for or acquire from the Company, any shares of its capital stock and no securities or obligations evidencing any such rights are outstanding. The Company has effectively waived the provisions of Article VIII of the Articles of Incorporation of the Company.

3. The Company has the corporate power and authority to execute and deliver the Agreement and to consummate the transactions contemplated on the part of the Company thereby. The execution and delivery by the Company of the Agreement and the consummation by the Company of the transactions contemplated thereby have been duly authorized by its Board of Directors. No other corporate proceedings on the part of the Company are necessary to authorize the execution and delivery of the Agreement by the Company or the consummation by the Company of the transactions contemplated thereby. The Agreement has been duly executed and delivered by the Company and, assuming the due authorization, execution and

delivery of the Agreement by FIServ, is a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as such enforcement is subject to the effect of (i) any applicable bankruptcy, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally, and (ii) general principles of equity, including concepts of materiality, reasonableness, good faith and fair dealing, and other similar doctrines affecting the enforceability of agreements generally (regardless of whether considered in a proceeding in equity or at law).

4. The execution and delivery of the Agreement by the Company do not and the consummation by the Company of the transactions contemplated thereby will not (i) violate any provision of the Articles of Incorporation or By-Laws of the Company, or (ii) to our knowledge, (a) violate, or result, with the giving of notice or the lapse of time or both, in a violation of, any provision of, or result in the acceleration of or entitle any party to accelerate (whether after the giving of notice or lapse of time or both) any obligation under, or result in the creation or imposition of any material lien, charge, pledge, security interest or other encumbrance upon any of the property of the Company pursuant to any provision of, any material mortgage, lien, lease, agreement, license, instrument, order, arbitration award, judgment or decree to which the Company is a party or by which any of its assets is bound, (b) violate or conflict with any other material restriction of any kind or character to which the Company is subject or by which any of its assets may be bound, or (c) constitute an event permitting termination of any such material mortgage, lien, lease, agreement, license or instrument to which the Company is a party or (iii) to our knowledge, violate any law, ordinance or regulation to which the Company is subject.

5. Except for filings and satisfaction of the waiting period requirements under the HSR Act that have been made and satisfied, no consent, authorization, order or approval of, or filing or registration with, any governmental commission, board or other regulatory body is required for the execution and delivery of the Agreement by the Company and the consummation by the Company of the transactions contemplated thereby.

6. To our knowledge, there are no actions, suits or proceedings with respect to the business of the Company pending against the Company at law or in equity, or before or by any federal, state, municipal, foreign or other governmental department, commission, board, bureau, agency or instrumentality, nor, to our knowledge, has the Company received any notice of any such actions, suits or proceedings with respect to the business of the Company.

7. To our knowledge, each Seller is an individual competent to own his properties and assets and to carry on his affairs as they are now being conducted.

8. To our knowledge, each Seller has the power and authority to execute and deliver the Agreement and the Registration Rights Agreement and to consummate the transactions contemplated on the part of each Seller thereby. No other legally required proceedings on the part of each Seller are necessary to authorize the execution and delivery of the Agreement and the Registration Rights Agreement by each Seller party thereto or the consummation by each Seller of the transactions contemplated thereby. The Agreement and the Registration Rights Agreement have been duly executed and delivered by each Seller, if a party thereto, and, assuming the due authorization, execution and delivery of the Agreement and the Registration Rights Agreement by FIServ, are valid and binding agreements of each Seller, enforceable against such Seller in accordance with their respective terms, except as such enforcement is subject to the effect of (i) any applicable bankruptcy, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and (ii) general principles of equity, including concepts of materiality, reasonableness, good faith and fair dealing, and other similar doctrines affecting the enforceability of agreements generally (regardless of whether considered in a proceeding in equity or at law).

9. To our knowledge, the execution and delivery of the Agreement and the Registration Rights Agreement by each Seller party thereto do not and the consummation by each Seller party thereto of the transactions contemplated thereby will not (i) violate, or result, with the giving of notice or the lapse of time or both, in a violation of, any provision of, or result in the acceleration of or entitle any party to accelerate (whether after the giving of notice or lapse of time or both) any obligation under any mortgage, lien, lease, agreement, license, instrument, law, ordinance, regulation, order, arbitration award, judgment or decree to which such Seller is a party or by which any of his assets are bound and do not and will not violate or conflict with any other restriction of any kind or character to which such Seller is subject or by which any of his assets may be bound, and the same does not and will not constitute an event permitting termination of any mortgage, lien, lease, agreement, license or instrument to which such Seller is a party, or (ii) violate any law, ordinance or regulation to which such Seller is subject, except, in each case or cases, for any such violation, acceleration, creation, imposition, conflict or termination which would not prevent the consummation of the transactions contemplated thereby.

10. Except for filings and satisfaction of the waiting period requirements under the HSR Act that have been made and satisfied, no consent,

authorization, order or approval of, or filing or registration with, any governmental commission, board or other regulatory body is required for or in connection with the execution and delivery of the Agreement and the Registration Rights Agreement and the consummation by each Seller of the transactions contemplated thereby.

11. Each Seller is the lawful owner of the shares of Company Common Stock set forth opposite his name on Annex I to the Agreement, free and clear of all liens, charges, encumbrances and claims whatsoever as may have been created by or relate to such Seller other than such restrictions as generally arise under applicable securities laws, and, assuming that FIServ is a bona fide purchaser, the sale, transfer and delivery of said Shares to FIServ pursuant to the provisions of the Agreement will transfer to FIServ valid title thereto, free and clear of all liens, charges, encumbrances and claims whatsoever as may have been created by or relate to Seller. Each Seller has effectively waived the provisions of Article VIII of the Articles of Incorporation of the Company.

This opinion is for your use solely in connection with the consummation of the transactions contemplated by the Agreement and may not be used for any other purpose or by any other person without our prior written consent, and is limited to the Federal laws of the United States of America and the laws of the State of Nebraska. For purposes of that portion of paragraph 3 of this opinion that relates to the enforceability of the Registration Rights Agreement, I have assumed that the laws of the State of Wisconsin are the same as those of the State of Nebraska.

Very truly yours,

Kinsey Ridenour Becker & Kistler

The Stockholders Named in Annex I to the Stock Purchase Agreement dated as of April 6, 1995 among FIServ, Inc., The Stockholders Named in Annex I Thereto and Information Technology, Inc.
1345 Old Cheney Road
Lincoln, NE 68512

Dear Sirs:

I have acted as counsel to FIServ, Inc., a Wisconsin corporation ("FIServ"), in connection with a Stock Purchase Agreement dated as of April 6, 1995 (the "Agreement") among FIServ, The Stockholders Named in Annex I Thereto (the "Sellers") and Information Technology, Inc., a Nebraska corporation (the "Company"). All capitalized terms used herein and not defined herein have the meanings assigned to them in the Agreement.

In that connection, I have examined such documents and have reviewed such questions of law as I have considered necessary and appropriate for the purposes of this opinion. In rendering this opinion, I have assumed the authenticity of all documents submitted as originals, the genuineness of all signatures and the conformity to authentic originals of all documents submitted as copies. As to questions of fact material to this opinion, I have relied upon representations of officers of FIServ and of public officials (including without limitation those certificates delivered to parties at the Closing Date).

Based upon the foregoing, I am of the opinion that:

1. FIServ is a corporation duly organized, validly existing and in good standing under the laws of the State of Wisconsin and has corporate power and authority to own its properties and assets and to carry on its business as it is now being conducted.

2. FIServ has the corporate power and authority to execute and deliver the Agreement and the Registration Rights Agreement and to

consummate the transactions contemplated on its part thereby. The execution and delivery by FIServ of the Agreement and the Registration Rights Agreement and the consummation by FIServ of the transactions contemplated on its part thereby have been duly authorized by the Board of Directors. No other corporate proceedings on the part of FIServ are necessary to authorize the execution and delivery of the Agreement and the Registration Rights Agreement by FIServ or the consummation by FIServ of the transactions contemplated thereby. The Agreement and the Registration Rights Agreement have been duly executed and delivered by FIServ and, assuming the due authorization, execution and delivery of the Agreement and the Registration Rights Agreement by the other parties thereto, are its valid and binding agreements, enforceable against FIServ in accordance with their respective terms, except as such enforcement is subject to the effect of (i) any applicable bankruptcy, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and (ii) general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, and other similar doctrines affecting the enforceability of agreements generally (regardless of whether considered in a proceeding in equity or at law).

3. The execution and delivery of the Agreement and the Registration Rights Agreement by FIServ do not, and the consummation by FIServ of the transactions contemplated thereby will not, (i) violate any provision of the Articles of Incorporation or By-Laws of FIServ, or (ii), to my knowledge, (a) violate, or result, with the giving of notice or the lapse of time or both, in a violation of, any provision of, or result in the acceleration of or entitle any party to accelerate (whether after the giving of notice or lapse of time or both) any obligation under, or result in the creation or imposition of any material lien, charge, pledge, security interest or other encumbrance upon any of the property of FIServ pursuant to any provision of, any material mortgage, lien, lease, agreement, license, instrument, order, arbitration award, judgment or decree to which FIServ is a party or by which any of its assets are bound, (b) violate or conflict with any other material restriction of any kind or character to which FIServ is subject or by which any of its assets may be bound, or (c) constitute an event permitting termination of any such material mortgage, lien, lease, agreement, license or instrument to which FIServ is a party or (iii), to my knowledge, violate in any material respect any law, ordinance or regulation to which FIServ is subject, except, in each case or cases, for any such violation, acceleration, creation, imposition, conflict or termination which would not prevent the consummation of the transactions contemplated hereby by FIServ.

4. Except for filings and satisfaction of the waiting period requirements under the HSR Act that have been made and satisfied, no consent, authorization, order or approval of, or filing or registration with, any governmental commission, board or other regulatory body is required for or in connection with the execution and delivery of this Agreement and the Registration Rights Agreement by FIServ and the consummation by FIServ of the transactions contemplated thereby.

5. The authorized capital stock of FIServ consists of 75,000,000 shares of FIServ Common Stock, of which [39,325,998] shares are validly issued and outstanding, fully paid and nonassessable. Except pursuant to FIServ's employee stock option and restricted stock purchase plans and except as set forth in Schedule 2.03(f) to the Agreement, as of the date hereof, FIServ has no commitments to issue or sell any of its capital stock or any securities or obligations convertible into or exchangeable for, or giving any person any right to subscribe for or acquire from FIServ, any shares of its capital stock and no securities or obligations evidencing such rights are outstanding.

6. The shares of FIServ Common Stock to be issued to the Principal Stockholders as consideration in accordance with Section 1.04 of the Agreement are validly issued and outstanding, fully paid and nonassessable shares of FIServ Common Stock.

This opinion is limited to the Federal laws of the United States of America and the laws of the State of Wisconsin. For purposes of that portion of paragraph 2 of this opinion that relates to the enforceability of the Agreement, I have assumed that the laws of the State of Nebraska are the same as those of the State of Wisconsin.

Very truly yours,

Charles W. Sprague
Executive Vice President,

In that connection, I have examined originals, or copies certified or otherwise identified to our satisfaction of such documents, corporate records and other instruments as I have deemed necessary or appropriate for purposes of this opinion, including the Articles of Incorporation, as amended, and By-Laws, as amended, of Fiserv.
