Any statement contained in a document incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Prospectus to the extent that a statement contained herein or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Prospectus.

The Company hereby undertakes to provide without charge to each person to whom this Prospectus is delivered, upon the written or oral request of such person, a copy of any and all of the documents incorporated by reference in this Prospectus, other than exhibits to such documents (unless such exhibits are specifically incorporated by reference into the documents that this Prospectus incorporates). Written or oral requests for such copies should be directed to Mr. Charles W. Sprague, Secretary, FIServ, Inc., 255 FIServ Drive, Brookfield, Wisconsin 53045, telephone (414) 879-5000.

The Company's headquarters are located at 255 FIServ Drive, Brookfield, Wisconsin 53045, telephone (414) 879-5000. FIServ was incorporated as a Delaware corporation in 1984, and reincorporated as a Wisconsin corporation in 1992. The terms "FIServ" and the "Company" as used herein mean FIServ, Inc. and, unless the context otherwise requires, its consolidated subsidiaries.

THE COMPANY

FIServ, with operations in 65 cities, including London and Singapore, is a leading independent provider of financial data processing systems and related information management services and products to banks, credit unions, mortgage banks, savings institutions and other financial intermediaries. These services and products are based primarily on proprietary software developed by FIServ and maintained on computers located at data processing centers throughout the United States. FIServ is ranked as the nation's leading data processing provider for banks and savings institutions in terms of total clients served and is ranked

number two for credit unions and mortgage banks. FIServ directly supports account and transaction processing software systems for approximately 3,500 financial institutions; maintaining approximately 48 million service bureau accounts. FIServ delivers this account and transaction processing in all four of the traditional delivery modes: service bureau; facilities management; resource management; and in-house solutions. FIServ also provides electronic banking services, which include Automated Teller Machine ("ATM")/Electronic Funds Transfer ("EFT") services to financial institutions, and processing approximately 194 million ATM transactions annually, and check and share draft remittance and back-office processing to financial institutions, handling approximately over 3 billion prime pass items per year through its regional item processing centers located in over 34 cities nationwide. In addition, FIServ provides trust administration services for IRAs and other retirement plans, and furnishes microcomputer software to financial institutions for executive information and decision support systems. The total client base served by FIServ includes more than 5,000 financial institutions. FIServ believes that its focus on customer service and the contractual nature of its business, combined with its historical renewal experience, provide a high level of recurring revenues.

Since FIServ's formation in 1984, it has expanded its operations through over 50 acquisitions and internally through the growth of existing clients. From 1988 to 1994, FIServ's revenues increased from \$125 million to \$579.8 million, its operating income increased from \$15.5 million to \$74.3 million and its net income grew from \$9.2 million to \$40.4 million. During this period, net income per common and common equivalent share increased from \$.33 to \$.99.

Recent Developments. For the year ended December 31, 1995, FIServ's revenues were \$703.4 million, a 21% increase over the \$579.5 million reported in 1994. Giving effect to certain charges related to the acquisition of Information Technology, Inc. ("ITI"), the Company posted a net loss for the year of \$59.9 million or \$1.36 per share for 1995, compared to net income of \$40.4 million or \$.99 per share for 1994.

In 1995, FIServ's net loss includes a special, one-time, non-cash charge of \$173 million related to the 1995 acquisition of ITI and FIServ's election to accelerate the amortization of the completed ITI Premier I software resulting in a pre-tax charge of \$9.9 million. In total, these ITI charges were \$182.9 million before income taxes and \$109.6 million after income taxes (\$2.49 per share).

The special, one-time, non-cash charge is based on an assessment by FIServ, in conjunction with an independent appraisal firm, of the purchased ITI Premier II research and development ("R&D"). As a result of the assessment, as of the date of acquisition of ITI, the fair market value of the ITI Premier II software technology under development was determined to be \$173 million. In accordance with accounting rules requiring the expensing of such R&D, this amount was written off in 1995.

The foregoing financial information is derived from the Company's audited financial statements. Results for 1994 have been restated as a result of the acquisition by FIServ in August 1995 of Lincoln Holdings, Inc., accounted for as a pooling of interests.

USE OF PROCEEDS

All proceeds from the sale of the Shares to be sold pursuant to this Prospectus will be for the account of the Selling Shareholders. As a consequence, the Company will not receive any proceeds from the sale of the Shares offered by the Selling Shareholders.

DIVIDEND POLICY

The Company has not paid cash dividends on its Common Stock. The Company intends to retain earnings for use in its business and, therefore, does not anticipate paying any cash dividends in the foreseeable future. The Company's existing long-term debt instruments contain provisions limiting the amount of cash dividends the Company can pay.

Such sales may be made in any one or more transactions (which may involve block transactions) in the over-the-counter market, on NASDAQ, and any exchange in which the Common Stock may then be listed, or otherwise in negotiated transactions or a combination of such methods of sale, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The Selling Shareholders may effect such transactions by selling Shares to or through broker-dealers, and such broker-dealers may sell the Shares as agent or may purchase such Shares as principal and resell them for their own account pursuant to this prospectus. Such broker-dealers may receive compensation in the form of underwriting discounts, concessions or commissions from the Selling Shareholders and/or purchasers of Shares from whom they may act as agent (which compensation may be in excess of customary commissions).

The Company has informed the Selling Shareholders that the anti-manipulative rules under the Securities Exchange Act of 1934 (Rules 10b-6 and 10b-7) may apply to their sales of Shares in the market. Also, the Company has informed the Selling Shareholders of the need for delivery of copies of the Prospectus in connection with any sale of securities registered hereunder in accordance with applicable prospectus delivery requirements.

In connection with such sales, the Selling Shareholders and any participating brokers and dealers may be deemed to be "underwriters" as defined in the Securities Act. In addition, any of the Shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this Prospectus.

In order to comply with certain state securities laws, if applicable, the Common Stock will not be sold in a particular state unless such securities have been registered or qualified for sale in such state or an exemption from registration or qualification is available and complied with.

LEGAL MATTERS

The validity of the issuance of the shares of the Common Stock offered hereby will be passed upon for the Company by Charles W. Sprague, Esq., Executive Vice President, General Counsel and Secretary of the Company. Mr. Sprague beneficially owns 15,375 shares of FIServ Common Stock, which number includes vested but unexercised stock options.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

In general, the Wisconsin Business Corporation Law provides that a corporation shall indemnify directors and officers for all reasonable expenses incurred in connection with the successful defense of actions arising in connection with their service as directors and officers of the corporation. In other cases, the Wisconsin statute provides that the corporation shall indemnify a director or officer against liability unless the director or officer breached or failed to perform a duty owed to the corporation and such breach or failure meets certain specified criteria constituting, in general, some act of misconduct. In addition, the corporation may reimburse a director or officer for his expenses in defending against actions as they are incurred upon the director's or officer's written request accompanied by a written affirmation of his good faith belief that he has not breached or failed to perform his duties to the corporation and a written undertaking to repay amounts advanced if it is ultimately determined that indemnification is not required under the Wisconsin Business Corporation Law. A court of law may order that the corporation provide indemnification to a director or officer if it finds that the director or officer is entitled thereto under the applicable statutory provision or is fairly and reasonably entitled thereto in view of all the relevant circumstances, whether or not such indemnification is required under the applicable statutory provision.

The Wisconsin Business Corporation Law specifies various procedures pursuant to which a director or officer may establish his right to indemnification.

Provided that it is not determined by or on behalf of the corporation that the director or officer breached or failed to perform a duty owed to the corporation and such breach or failure meets certain specified criteria constituting, in general, some act of misconduct, a Wisconsin corporation may provide additional rights to indemnification under its articles of incorporation or by-laws, by written agreement, by resolution of its board of directors or by a vote of the holders of a majority of its outstanding shares.

The Registrant's By-laws provide for indemnification and advancement of expenses of directors and officers to the fullest extent provided by the Wisconsin Business Corporation Law. This provision is not exclusive of any other rights to indemnification or the advancement of expenses to which a director or officer may be entitled under any written agreement, resolution of directors, vote of shareholders, by law or otherwise.

ITEM 17. UNDERTAKINGS.

The undersigned Registrant hereby undertakes to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the information statement.

The undersigned registrant hereby undertakes to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act), that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant

pursuant to the provisions described in Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned Registrant hereby further undertakes that:

(1) For purposes of determining any liability under the Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

SIGNATURES
