Description of Pro Forma Condensed Consolidated Financial Statements (Unaudited)

On May 30, 1997, the Registrant (Fiserv) acquired all of the outstanding common stock of BHC Financial, Inc., a Delaware corporation (BHC), in exchange for 5,683,769 shares of Common Stock, \$.01 par value, of the Registrant.

The following unaudited pro forma condensed consolidated balance sheets combine the condensed consolidated balance sheets of Fiserv and BHC as of December 31, 1996 and March 31, 1997. The following unaudited condensed consolidated statements of income combine the condensed consolidated statements of income of Fiserv and BHC for the year ended December 31, 1996 and the three month periods ended March 31, 1997 and 1996. The pro forma information is based on the historical financial statements of Fiserv and BHC, giving effect to the transaction under the pooling of interests method of accounting, and the assumptions and adjustments in the accompanying notes to the pro forma condensed consolidated financial statements.

The pro forma condensed consolidated balance sheet as of December 31, 1996 and the pro forma condensed consolidated statement of income for the year then ended have been prepared by Fiserv management based upon the audited financial statements of Fiserv and BHC for that year.

The pro forma condensed consolidated statements of income are not necessarily indicative of the results that actually would have occurred if the acquisition had occurred at the beginning of the period indicated or which may be obtained in the future. The pro forma financial statements should be read in conjuction with the audited financial statements of Fiserv for the year ended December 31, 1996, as included in its Form 10-K for that year, and in conjunction with the audited financial statements of BHC for the year ended December 31, 1996, included in its Form 10-K for that year.
