This Proxy Statement is being mailed on or about February 23, 1999, to the holders of record as of February 8, 1999, of common stock ("Common Stock") of Fiserv, Inc. (the "Company") in connection with the solicitation by the Board of Directors of proxies in the enclosed form for the Annual Meeting of Shareholders (the "Annual Meeting"). The Annual Meeting will be held at the Company's offices, 255 Fiserv Drive, Brookfield, Wisconsin 53045, at 10:00 a.m., Central Standard Time, on March 25, 1999, and at any and all adjournments or postponements thereof. Pursuant to the Wisconsin Business Corporation Law, a shareholder may revoke a writing appointing a proxy either by giving notice to the Company in writing or in open meeting. Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing with the Secretary written notice thereof (Charles W. Sprague, Executive Vice President, General Counsel and Secretary, Fiserv, Inc., 255 Fiserv Drive, Brookfield,

Wisconsin 53045); (ii) submitting a duly-executed proxy bearing a later date; or (iii) appearing at the Annual Meeting and giving the Secretary notice of his or her intention to vote in person.

The cost of solicitation of proxies by mail on behalf of the Board of Directors will be borne by the Company. Proxies also may be solicited by personal interview or by telephone, in addition to the use of the mail, by directors, officers and regular employees of the Company, without additional compensation therefor. The Company also has made arrangements with brokerage firms, banks, nominees and other fiduciaries to forward proxy solicitation materials for shares of Common Stock held of record by the beneficial owners of such shares. The Company will reimburse such holders for their reasonable out-of-pocket expenses.

Proxies solicited hereby will be returned to the Board of Directors, and will be tabulated by inspectors of election designated by the Board of Directors, who will not be employed by or a director of the Company, or any of its affiliates.

Purposes of Annual Meeting

The Annual Meeting has been called for the purposes of (i) electing four Directors to serve for a three-year term expiring in 2002; (ii) approving the appointment of Deloitte & Touche LLP, Milwaukee, Wisconsin, as the independent auditors of the Company and its subsidiaries for the fiscal year ending December 31, 1999; (iii) increasing the number of authorized shares from 150,000,000 to 300,000,000; and (iv) transacting such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The persons named as proxies in the enclosed proxy have been selected by the Board of Directors and will vote shares represented by valid proxies. They have indicated that, unless otherwise specified in the Proxy, they intend to vote (i) to elect as Directors the nominees noted herein; (ii) for approval of the appointment of Deloitte & Touche LLP, Milwaukee, Wisconsin, as the independent auditors of the Company and its subsidiaries for the fiscal year ending December 31, 1999; and (iii) to increase the number of authorized shares of the Company's Common Stock from 150,000,000 to 300,000,000. The Board of Directors has no reason to believe that any of the nominees will be unable to serve as a Director. In the event, however, of the death or unavailability of any nominee or nominees, the proxy to vote in favor of the election of such nominee or nominees will be voted for such other person as the Board of Directors may recommend.

1

The Company has no knowledge of any other matters to be presented at the Annual Meeting. In the event other matters are properly brought before the Annual Meeting or any adjournments or postponements thereof, the persons named in the proxy will vote in accordance with their best judgment on such matters.

Voting Securities

The Board of Directors has fixed the close of business on February 8, 1999, as the record date (the "Voting Record Date") for determining shareholders entitled to notice of and to vote at the Annual Meeting. On the Voting Record Date, there were 82,058,079 shares of Common Stock outstanding and entitled to vote, and the Company had no other class of securities outstanding. All of these shares are to be voted as a single class, and each holder is entitled to one vote for each share held of record on all matters submitted to a vote of shareholders. The presence, in person or by proxy, of at least a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting, shall constitute a quorum for the transaction of business. A quorum being present, all matters, other than the election of directors, shall require the affirmative vote of a majority of the total votes cast in person or by proxy in order to be approved. Directors will be elected by a plurality of votes cast at the Annual Meeting. Abstentions will be included in the determination of shares present and voting for purposes of determining whether a quorum exists. Broker non-votes will not be so included. Neither abstentions nor broker non-votes are counted in determining whether a proposal has been approved. In the event there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Annual Meeting, the Annual Meeting may be adjourned or postponed in order to permit the further solicitation of proxies.

Matter 2. Appointment of Auditors

The Company's independent auditors for the fiscal year ended December 31, 1998, were Deloitte & Touche LLP, Milwaukee, Wisconsin. The Board of Directors of the Company has recommended that Deloitte & Touche LLP be reappointed to perform the audit of the Company's financial statements for the fiscal year ending December 31, 1999. A representative of Deloitte & Touche LLP is expected to be present at the meeting with an opportunity to make a statement if so desired and to answer appropriate questions with respect to that firm's audit of the Company's financial statements and records for the fiscal year ended December 31, 1998.

The affirmative vote of a majority of the shares represented, in person or by proxy, at the Annual Meeting is required for approval of the appointment of Deloitte & Touche LLP as the Company's independent auditors. Although shareholders are not legally required to approve the appointment of the Company's auditors, the Company nonetheless has traditionally permitted shareholders to approve the appointment. In the event this proposal is not approved, the Board of Directors will re-evaluate its recommendation. Unless otherwise specified, the shares of Common Stock represented by the proxies solicited hereby will be voted in favor of the above proposal.

The Board of Directors recommends that shareholders vote FOR the proposal to reappoint Deloitte & Touche LLP as the Company's independent auditors.

Matter 3. Increase in Authorized Shares of Common Stock

The Articles of Incorporation of the Company presently authorize the issuance of 150,000,000 shares of Common Stock, of which 82,058,709 were outstanding as of February 8, 1999, and 2,570,000 shares were reserved as of such date for issuance upon the exercise of stock options issued by the Company. Consequently, only 65,371,291 shares of Common Stock are available to be used for any other purposes, including stock splits. Therefore, the Board of Directors has proposed an increase in the number of authorized shares of Common Stock from 150,000,000 to 300,000,000.

Except for shares reserved for issuance upon the exercise of stock options, none of the shares of Common Stock which would be authorized if this proposal is adopted by the shareholders have been earmarked for any specific purpose, but future issuance of such shares could be authorized by the Board of Directors without obtaining shareholder approval.

The affirmative vote of a majority of the shares represented, in person or by proxy, at the Annual Meeting is required for approval to adopt the amendment to the Articles of Incorporation.

The Board of Directors recommends a vote FOR the proposed increase in authorized shares of Common Stock.

Meetings of the Board of Directors and Committees of the Board of Directors

The Board of Directors held four regular meetings during fiscal 1998. During fiscal 1998, each director attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors ("Committees") held during his or her tenure as a Director or Committee member. The Board of Directors has standing Compensation and Audit Committees.

6

The Compensation Committee evaluates the performance of the Company's executive officers, approves executive officer compensation and reviews management's recommendations as to the compensation of other key personnel, acts as the nominating committee for officers and directors and makes recommendations to the Board of Directors regarding the types, methods and levels of director

compensation, administers the compensation plans for the officers, directors and key employees, and discharges certain other responsibilities of the Board of Directors when so instructed by the Board. The members of the Compensation Committee are Messrs. Levy (Chairman) and Seidman, and Ms. Shackelford. The Compensation Committee held one meeting during the year ended December 31, 1998.

The Audit Committee reviews the scope and timing of the audit of the Company's financial statements by the Company's independent public accountants and reviews with these accountants the Company's management policies and procedures with respect to auditing and accounting controls. The Audit Committee also reviews with the independent accountants the financial statements, auditor's reports and management letter of the independent accountants. The Audit Committee reviews and evaluates Conflict of Interest statements and discharges certain other responsibilities of the Board of Directors when so instructed by the Board of Directors. The members of the Audit Committee are Messrs. Levy (Chairman) and Seidman, and Ms. Shackelford. The Audit Committee held four meetings during the fiscal year ended December 31, 1998.

Compensation of Directors

Directors who are officers or employees of the Company receive no compensation for service as members of the Board of Directors of the Company or for service on committees of the Board of Directors. A director who is not an officer or employee of the Company receives an annual fee of \$16,000 for service on the Board of Directors of the Company, plus \$1,200 for attendance at Board of Director meetings. Each outside director is granted options to acquire, at fair market value, 12,000 shares of common stock of the Company upon election to each new three-year term and options on 400 shares for attendance at Board of Director meetings. The options granted may be exercised 20% per year and expire 10 years from the date of the award.

The following table sets forth in summary form all compensation, as defined in regulations of the Commission, paid or accrued by the Company and its subsidiaries during each of the three years ended December 31, 1998, to the Company's Chief Executive Officer and the next four highest paid executive officers whose total annual salary and bonus for the fiscal year ended December 31, 1998, exceeded \$100,000.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors is responsible for establishing compensation for the Company's Chairman and Chief Executive Officer, Vice Chairman and Chief Operating Officer, Vice Chairman and Chairman of Information Technology, Inc. and its Senior Executive Vice President and Chief Financial Officer (the "Executives"). In so doing, the Committee has developed and implemented compensation policies and programs which seek to enhance the long-term profitability of the Company, thereby contributing to the value of shareholders' investment.

In addition to annual cash compensation, the Committee establishes criteria pursuant to which the Executives may also qualify for the award of options to acquire the Company's common stock at a price equal to market value on the date of grant. Awards are based 75% on growth in earnings per share ("EPS") and 25% on revenue growth. If the revenue growth percentage exceeds that for EPS, the EPS growth percentage will replace the revenue growth percentage in determining awards. The minimum growth required to earn awards is 10% and the maximum annual award to any executive is 300,000 shares.

Mr. Dalton's 1998 Compensation. Compensation for the Chief Executive Officer aligns with the philosophy and practices discussed above for the other senior executive officers. At the beginning of each year, the Compensation Committee sets a target bonus amount for the Chief Executive Officer. For 1998, as in 1997, Mr. Dalton's performance goals were established based on strategic and financial measurements, including a target level of earnings per share and implementation of the Company's acquisition and internal growth strategies. Of these factors, the Company's target level of earnings per share carried a significantly greater weight than the aggregate weight assigned to the remaining factors. Mr. Dalton's incentive compensation for 1998 reflects favorable achievement of the established performance objectives, particularly earnings per share and revenue growth, the key determinants of Mr. Dalton's incentive compensation.

The Compensation Committee awarded Mr. Dalton stock options in accordance with the criteria described above for other senior executives.

Based upon the Company's performance over the past five years when compared to companies comprising the S&P 500 and its NASDAQ Computer and Data Processing Services Industry Group, it appears that the level of executive compensation is commensurate with that which is being paid to senior executives by other companies in similar businesses.
