Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to shareholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Based upon the foregoing reasons, you should not rely on the representations and warranties as statements of factual information.

2.2 Effects of the Merger. At and after the Effective Time: (a) the Surviving Corporation shall thereupon and thereafter possess all of the rights, privileges, powers and franchises, of a public as well as a private nature, of the Constituent Corporations, and shall become subject to all the restrictions, disabilities and duties of each of the Constituent Corporations; (b) all rights, privileges, powers and franchises of each Constituent Corporation, and all property, real, personal and mixed, and all debts due to each such Constituent Corporation, on whatever account, and all choses in action belonging to each such corporation, shall become vested in the Surviving Corporation; (c) all property, rights, privileges, powers and franchises, and all and every other interest shall become thereafter the property of the Surviving Corporation as they are of the Constituent Corporations; and (d) the title to any real property vested by deed or otherwise

or any other interest in real estate vested by any instrument or otherwise in either of such Constituent Corporations shall not revert or become in any way impaired by reason of the Merger; but all Liens upon any property of either Constituent Corporation shall thereafter attach to the Surviving Corporation and shall be enforceable against it to the same extent as if said debts, liabilities and duties had been incurred or contracted by it; all of the foregoing in accordance with the applicable provisions of the DGCL.

2.3 Effective Time. On the date hereof and immediately following the adoption of this Agreement by Holders holding sufficient Common Shares to adopt this Agreement in accordance with the DGCL, Acquiror, Merger Sub and the Company shall cause the Certificate of Merger to be executed, acknowledged and filed with the Secretary of State of the State of Delaware as provided in Section 251 of the DGCL. The Merger shall become effective at the time when the Certificate of Merger has been duly filed with the Secretary of State of the State of Delaware or at such later time as may be agreed by Acquiror and the Company in writing and specified in the Certificate of Merger (the "Effective Time").

2.4 Certificate of Incorporation and Bylaws of the Surviving Corporation. At the Effective Time, the certificate of incorporation and bylaws of the Surviving Corporation shall be amended and restated in their entirety in the form of the certificate of incorporation and bylaws, respectively, of Merger Sub as in effect immediately prior to the Effective Time, and as amended shall be the certificate of incorporation and bylaws, respectively, of the Surviving Corporation until thereafter amended as provided therein and under the DGCL.

2.5 Directors and Officers of the Surviving Corporation. The directors and officers of Merger Sub immediately prior to the Effective Time shall be the initial directors and officers, respectively, of the Surviving Corporation, each to hold office in accordance with the certificate of incorporation and bylaws of the Surviving Corporation.

ARTICLE III. EFFECTS OF THE MERGER ON THE CAPITAL STOCK AND EQUITY AWARDS

3.1 Conversion of Company Shares, Options and RSUs.

(a) At the Effective Time, by virtue of the Merger and without any action on the part of any Holder, (i) (A) each share (a "Common Share") of Common Stock that is issued and outstanding immediately prior to the Effective Time (other than (x) shares of Common Stock, if any, held in the treasury of the Company, which treasury shares shall be canceled as part of the Merger, (y) shares of Common Stock, if any, owned by a direct or indirect wholly owned Subsidiary of the Company, which shares shall be converted into that number of shares of common stock, par value \$.01 per share, of Surviving Corporation that bears the same ratio to the aggregate number of outstanding shares of common stock, par value \$.01 per share, of Surviving Corporation as the number of shares of Common Stock held by such Subsidiary bore to the aggregate number of outstanding shares of Common Stock immediately prior to the Effective Time, and (z) shares (each, a "Dissenting Share") of Common Stock held by Persons who object to the Merger and comply with the provisions of the DGCL concerning the rights of holders of Common Stock to dissent from the Merger and require appraisal of their shares of Common Stock, which shares described in clauses (x), (y) and (z) shall not constitute "Common

Shares” hereunder), shall thereupon be converted into and become the right to receive the applicable portion of the Merger Consideration, as determined pursuant to Section 3.1(d), without any interest thereon, (B) each option to purchase shares of Common Stock (Option) that is vested, unexercised and outstanding immediately prior to the Effective Time (such Options collectively being referred to herein as the “Vested Options”) and is an In-the-Money Option, shall thereupon be canceled and converted into and become the right to receive the applicable portion of the Merger Consideration, as determined pursuant to Section 3.1(d), without any interest thereon, and (C) each restricted share unit with respect to shares of Common Stock (“RSU”) that is outstanding immediately prior to the Effective Time shall accelerate and become fully vested and shall thereupon be converted into and become the right to receive the applicable portion of the Merger Consideration, as determined pursuant to Section 3.1(d), without any interest thereon, and (ii) each Option that is unexercised and outstanding but not vested, or is an Out-of-the-Money Option, shall in each case immediately prior to the Effective Time terminate and be forfeited for no consideration.

(b) At the Effective Time, by virtue of the Merger and without any action on the part of Acquiror or Merger Sub, each share of common stock, par value \$.01 per share, of Merger Sub shall be converted into one share of common stock, par value \$.01 per share, of the Surviving Corporation.

(c) The “Merger Consideration” shall consist of \$55,000,000 in cash.

(d) The Merger Consideration shall be allocated among the Holders as set forth below in this Section 3.1(d); provided, however, that a portion of the Merger Consideration otherwise payable to each Holder of Common Shares pursuant to this Section 3.1(d) that is equal to the product of the Escrow Amount (as defined on Schedule 6.5) multiplied by such Holder’s Escrow Percentage (as defined on Schedule 6.5) shall be held in escrow in accordance with Schedule 3.9 and the Escrow Agreement (as defined on Schedule 3.9). Each Holder of Common Shares shall be entitled to receive in respect of the Common Shares held by such holder immediately prior to the Effective Time a portion of the Merger Consideration equal to (x) the Cash Per Fully-Diluted Common Share (as defined below), multiplied by (y) the number of Common Shares held by such holder immediately prior to the Effective Time. Each Holder of Vested Options that is an In-the-Money Option shall be entitled to receive in respect of such Vested Options held by such holder immediately prior to the Effective Time a portion of the Merger Consideration equal to (i) the product of (x) the Cash Per Fully-Diluted Common Share, multiplied by (y) the aggregate number of shares of Common Stock issuable upon exercise in full of all Vested Options that are In-the-Money Options held by such holder immediately prior to the Effective Time, minus (ii) the aggregate per share exercise price payable upon exercise of all Vested Options that are In-the-Money Options held by such holder immediately prior to the Effective Time. Each Holder of RSUs shall be entitled to receive in respect of the RSUs held by such holder immediately prior to the Effective Time a portion of the Merger Consideration equal to (i) the product of (x) the Cash Per Fully-Diluted Common Share, multiplied by (y) the aggregate number of RSUs held by such holder immediately prior to the Effective Time (such amount with respect to any Holder of RSUs, the “RSU Consideration”). For purposes of the foregoing, the “Cash Per Fully-Diluted Common Share” shall mean (i) the sum of (A) the Merger Consideration, plus (B) the Aggregate Vested Option Exercise Price, divided by (ii) the Aggregate Fully-Diluted Common Shares.

3.2 Payment and Exchange of Certificates

(a) Immediately prior to the Effective Time, Acquiror shall pay to an exchange agent (the "Exchange Agent") selected by the Company and reasonably acceptable to Acquiror, by wire transfer of immediately available funds, an amount (the "Funding Amount") equal to the Merger Consideration that is to be paid to the Holders pursuant to Section 3.1(d) (other than the Escrow Amount (as defined on Schedule 6.5)).

(b) Each Holder of an outstanding certificate or certificates for Common Shares (collectively, the "Certificates") that has delivered to the Exchange Agent the Certificate(s) representing such Common Shares along with a duly executed letter of transmittal in the form attached hereto as Annex B (the "Letter of Transmittal"), at or prior to the Effective Time shall be entitled to receive on the Closing Date from the Exchange Agent in exchange therefor such portion of the Merger Consideration to which such Holder is entitled pursuant to Section 3.1(d). Each Holder of Certificate(s) that has not delivered the Certificate(s) representing such Common Shares to Acquiror at or prior to the Effective Time, upon surrender of such Certificates to the Exchange Agent after the Effective Time along with a duly executed Letter of Transmittal, shall be entitled to receive from the Exchange Agent in exchange therefor such portion of the Merger Consideration to which such Holder is entitled pursuant to Section 3.1(d). With respect to any Holder of Vested Options that are In-the-Money Options and/or RSUs that are outstanding immediately prior to the Effective Time, Acquiror shall (A) in the case of any Vested Options held by employees of the Company or its Affiliates, cause the Company to process for payment through payroll the amount which such Holder is entitled pursuant to Section 3.1(d) (subject to withholding for Taxes, which amounts shall be paid to the Company for disbursement to the applicable taxing authority and subject to any other deductions required by applicable Law) as soon as reasonably practicable following the Effective Time and (B) in the case of any RSUs that are outstanding immediately prior to the Effective Time, cause the Company to pay the applicable RSU Consideration to such Holder as soon as reasonably practicable following the Effective Time (subject to applicable withholding for Taxes and any other deductions required by applicable Law), and in either case in clause (A) or (B) the Funding Amount shall be reduced by such amounts. Pending such surrender and exchange of a Holder's Certificate(s), a holder's Certificate(s) shall be deemed for all purposes to evidence such Holder's right to receive the portion of the Merger Consideration into which such Common Shares shall have been converted by the Merger.

3.3 Holder Allocable Expenses. On or prior to the date hereof, the Holder Representative has provided to Acquiror a written estimate (which estimate shall include such reserves as the Holder Representative determines in good faith to be appropriate for any Holder Allocable Expenses that are not then known or determinable) of the aggregate amount of all of the fees and expenses incurred and unpaid, or that may in the future be incurred, by the Holder Representative in its capacity as such (the "Holder Allocable Expenses"). Immediately prior to the Effective Time, Acquiror shall pay to the Holder Representative cash in the amount of the Holder Allocable Expenses.

3.4 Outstanding Company Expenses. On or prior to date hereof, the Company has provided to Acquiror a written report setting forth a list of the following fees and expenses incurred by the Company in connection with the preparation, negotiation and execution of this Agreement and

the consummation of the Company's sale process (including the transactions contemplated hereby), solely to the extent such fees and expenses are incurred and unpaid: (a) the fees and disbursements of outside counsel, accountants and investment banking firms to the Company incurred in connection with, or payable as a result of, the transactions contemplated hereby and (b) the fees and expenses of any other agents, advisors, consultants and experts employed by the Company in connection with the Merger (collectively, the "Outstanding Company Expenses"). Immediately prior to the Effective Time and concurrently with the payment to the Exchange Agent of the Funding Amount, Acquiror shall pay to the Holder Representative, or to such third parties as are directed by the Holder Representative, by wire transfer of immediately available funds an amount equal to the Outstanding Company Expenses.

3.5 Repayment of Funded Debt. Immediately prior to the Effective Time, (a) Acquiror or Merger Sub shall make available to the Company, or pay directly to the applicable lenders, an amount sufficient to pay all amounts owing with respect to the aggregate Funded Debt of the Company and any interest thereon accrued and unpaid in the ordinary course of business (other than the portion of the aggregate Funded Debt of the Company and any interest thereon accrued and unpaid in the ordinary course of business attributable to the Notes (which are addressed in Section 6.4)), (b) the Company, if such amount is not paid directly to the applicable lenders by Acquiror or Merger Sub, shall apply such cash to pay all amounts owing with respect to the aggregate Funded Debt of the Company and any interest thereon accrued and unpaid in the ordinary course of business (other than the portion of the aggregate Funded Debt of the Company and any interest thereon accrued and unpaid in the ordinary course of business attributable to the Notes) and (c) the Company shall reasonably cooperate with Acquiror in connection with Acquiror's repayment of the aggregate Funded Debt of the Company and any interest thereon accrued and unpaid in the ordinary course of business.

3.6 Lost Certificate. In the event any Certificate has been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration deliverable in respect thereof as determined in accordance with this Article III.

3.7 Tax Certificate; Withholding.

(a) On or prior to the date hereof, the Company has delivered to Acquiror a statement in accordance with Treasury Regulation Sections 1.897-2(h) and 1.1445-2(c)(3) certifying that the Company is not a United States real property holding company within the meaning of Section 897(c) of the Code.

(b) Notwithstanding any other provision to this Agreement, Acquiror, the Company and the Exchange Agent shall be entitled to deduct and withhold from the cash otherwise deliverable under this Agreement, and from any other consideration otherwise paid or delivered in connection with the transactions contemplated in this Agreement, to any person such amounts that Acquiror, the Company and the Exchange Agent are required to deduct and withhold with respect to any such deliveries and payments under the Code or any provision of state, local, provincial or foreign law or otherwise. To the extent that amounts are so withheld, and duly deposited with the appropriate Governmental Authority, by Acquiror, the Company or the Exchange Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the person in respect of which such deduction and withholding was made.

3.8 Termination of Affiliate Agreements. On or prior to the date hereof, the Company or one of its Subsidiaries has terminated, or caused to be terminated, each of the Affiliate Agreements listed on Schedule 3.8.

3.9 Other Actions. The parties shall undertake the actions contemplated on Schedule 3.9.

3.10 Dissenting Shares. Notwithstanding the foregoing provisions of this Article III, the Dissenting Shares shall not be converted into a right to receive the Merger Consideration and the holders thereof shall be entitled to such rights as are granted by Section 262 of the DGCL. Each holder of Dissenting Shares who becomes entitled to payment for such shares pursuant to Section 262 of the DGCL shall receive payment therefor from the Surviving Corporation in accordance with the DGCL; provided, however, that (i) if any such holder of Dissenting Shares shall have failed to establish such holder's entitlement to appraisal rights as provided in Section 262 of the DGCL, or (ii) if any such holder of Dissenting Shares shall have effectively withdrawn such holder's demand for appraisal of such shares or lost such holder's right to appraisal and payment for such holder's shares under Section 262 of the DGCL, such holder shall forfeit the right to appraisal of such shares and each such share shall not constitute a Dissenting Share and shall be treated as if it had been a Common Share immediately prior to the Effective Time and converted, as of the Effective Time, into a right to receive from the Surviving Corporation the portion of the Merger Consideration deliverable in respect thereof as determined in accordance with this Article III, without any interest thereon.

3.11 Exchange Agent. Promptly following the date which is six months after the Effective Time, Acquiror shall instruct the Exchange Agent to deliver to Acquiror all cash, Certificates and other documents in its possession relating to the transactions contemplated hereby, and the Exchange Agent's duties shall terminate. Thereafter, each Holder of a Certificate (other than Certificates representing Dissenting Shares) may surrender such Certificate to Acquiror and (subject to applicable abandoned property, escheat and similar Laws) receive in consideration therefor, and Acquiror shall promptly pay, the portion of the Merger Consideration deliverable in respect thereof as determined in accordance with this Article III without any interest thereon.

**ARTICLE IV.
REPRESENTATIONS AND WARRANTIES OF THE COMPANY**

Except as set forth in the Schedules to this Agreement, the Company represents and warrants to Acquiror and Merger Sub as of the date of this Agreement as follows:

4.1 Corporate Organization of the Company. (b) The copies of the certificate of incorporation and bylaws of the Company previously made available by the Company to Acquiror are true, correct and complete. (c) The Company is duly licensed or qualified and in good standing as a foreign corporation in each jurisdiction in which the ownership of its property or the character of its

activities is such as to require it to be so licensed or qualified, except where the failure to be so licensed or qualified would not reasonably be expected to have a Material Adverse Effect on the Company.

4.2 Subsidiaries. The Subsidiaries of the Company are set forth on Schedule 4.2. The Subsidiaries have been duly formed or organized and are validly existing under the laws of their jurisdiction of incorporation or organization and have the power and authority to own or lease their properties and to conduct their business as it is now being conducted. The Company has previously provided to Acquiror true, correct and complete copies of the organizational documents of its Subsidiaries. Each Subsidiary is duly licensed or qualified and in good standing as a foreign or extra-provincial corporation (or other entity, if applicable) in each jurisdiction in which its ownership of property or the character of its activities is such as to require it to be so licensed or qualified or in good standing, as applicable, except where the failure to be so licensed or qualified or in good standing would not reasonably be expected to have a Material Adverse Effect on the Company.

4.3 Due Authorization. The Company has all requisite corporate power and authority to execute and deliver this Agreement and (subject to the approvals described in Section 4.5) to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized and approved by the Board of Directors and no other corporate proceeding on the part of the Company is necessary to authorize this Agreement (other than the adoption of this Agreement by the Holders holding sufficient Common Shares to adopt this Agreement in accordance with the DGCL, which adoption will occur immediately following the execution of this Agreement). This Agreement has been duly and validly executed and delivered by the Company and constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity.

4.4 No Conflict. Except as set forth on Schedule 4.4 and subject to the receipt of the consents, approvals, authorizations and other requirements set forth in Section 4.5 or on Schedule 4.5, the execution and delivery of this Agreement by the Company and the consummation of the transactions contemplated hereby do not and will not violate any provision of, or result in the breach of, any applicable Law, the certificate of incorporation, bylaws or other organizational documents of the Company or any of its Subsidiaries, or any material agreement, indenture or other instrument to which the Company or one of its Subsidiaries is a party or by which the Company or any of its Subsidiaries may be bound or terminate, or result in the termination of or acceleration of any obligation or payment of money under any such agreement, indenture or instrument, or result in the creation of any Lien upon any of the properties or assets of the Company or any of its Subsidiaries, or constitute an event which, after notice or lapse of time or both, would result in any such violation, breach, termination, acceleration, payment or creation of a Lien or result in a violation or revocation of any required license, permit or approval from any Governmental Authority or other Person.

4.5 Governmental Authorities: Consents.

(a) Assuming the truth and completeness of the representations and warranties of Acquiror contained in this Agreement, no consent, approval or authorization of, or designation, declaration or filing with, any Governmental Authority or other Person is required on the part of the Company or any of its Subsidiaries with respect to the Company's execution or delivery of this Agreement or the consummation of the transactions contemplated hereby, except for (a) any immaterial consents, approvals, authorizations, designations, declarations or filings; (b) as otherwise disclosed on Schedule 4.5; and (c) the filing of the Certificate of Merger in accordance with the DGCL.

4.6 Capitalization.

(a) The authorized capital stock of the Company consists of Ten Million (10,000,000) shares of Common Stock, of which Seven Million, Two Hundred and Ninety-Six Thousand, Seven Hundred and Fifty-One (7,296,751) shares are issued and outstanding. (b) Except for the Options and RSUs, which are set forth on Schedule 4.6(b), there are (i) no subscriptions, calls, contracts, options, warrants, rights or other securities convertible into or exchangeable or exercisable for shares of the Common Stock or the equity interests of any Subsidiary of the Company, or any other agreements to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound obligating the Company or any such Subsidiary to issue or sell any shares of capital stock of, other equity interests in or debt securities of, the Company or any of its Subsidiaries, and (ii) no equity equivalents, stock appreciation rights, phantom stock ownership interests or similar rights in the Company or any of its Subsidiaries. There are no outstanding contractual or other obligations of the Company or any of its Subsidiaries to repurchase, redeem or otherwise acquire any securities or equity interests of the Company or any of its Subsidiaries. There are no outstanding bonds, debentures, notes or other indebtedness of the Company or any of its Subsidiaries having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matter for which the Company's stockholders may vote. Except as set forth on Schedule 4.6(b), none of the Company or any of its Subsidiaries or, to the knowledge of the Company, any of the Holders of Common Shares is a party to any stockholders agreement, proxy, voting agreement or registration rights agreement relating to the Common Stock or any other equity interests of the Company or any of its Subsidiaries.

(d) The Company has the unilateral right, without the consent of any Holder, to terminate all Options and RSUs, whether vested or unvested, as of the Effective Time for the cash payment, or for no consideration in the case of Out-of-the Money Vested Options, as set forth in Section 3.1(a).

(e) Each Option's per share exercise price equaled or exceeded the fair market value of a share of the underlying Common Stock on the date of such Option's original grant, as determined reasonably and in good faith by the Company.

(f) Schedule 4.6(f) sets for a spreadsheet that includes, with respect to each Holder, the name and address of such Holder, the certificate numbers (where applicable) and number of Common Shares/Options/RSUs held by such Holder, the amount of Merger Consideration to be received by such Holder less such Holder's allocable share of the Escrow Amount (as defined on Schedule 6.5), the Escrow Percentage (as defined on Schedule 6.5) of each Holder as of the Closing and the amount of each Holder's allocable share of the Escrow Amount (as defined on Schedule 6.5) as of the Closing (the "Spreadsheet"). Except as set forth on Schedule 4.7(a), the Financial Statements present fairly, in all material respects, the consolidated financial position, results of operations, cash flows and shareholder's equity of the Company and its Subsidiaries as of the dates and for the periods indicated in such Financial Statements in conformity with GAAP, consistently applied (except, in the case of the Interim Financial Statements, for the absence of footnotes and other presentation items and for normal year-end adjustments). In addition, the Company has provided to Acquiror all "management letters" or similar letters addressing the integrity of the Company's financial statements and/or its financial controls issued by the Company's certified public accounting firm with respect to, and for the years included in, the Audited Financial Statements.

5.2 Due Authorization. Each of Acquiror and Merger Sub has all requisite corporate power and authority to execute and deliver this Agreement and to perform all obligations to be performed by it hereunder. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized and approved by the Board of Directors of Acquiror and Merger Sub, and no other corporate proceeding on the part of Acquiror or Merger Sub is necessary to authorize this Agreement (other than the adoption of this Agreement by Acquiror in its capacity as the sole stockholder of Merger Sub, which adoption will occur immediately following the execution of this Agreement by Merger Sub). 5.4 Litigation and Proceedings. There are no lawsuits, actions, suits, claims or other proceedings at law or in equity, or, to the knowledge of Acquiror, investigations, pending before or by any Governmental Authority or, to the knowledge of Acquiror, threatened, against Acquiror or Merger Sub which, if determined adversely, could reasonably be expected to have a material adverse effect on the ability of Acquiror or Merger Sub to enter into and perform its obligations under this Agreement. 5.8 Solvency; Surviving Corporation After the Merger. None of Acquiror or Merger Sub is entering into this Agreement or the transactions contemplated hereby with the actual intent to hinder, delay or defraud either present or future creditors. Assuming that the representations and warranties of the Company contained in this Agreement are true and correct in all material

respects, and after giving effect to the Merger, at and immediately after the Effective Time, Acquiror (a) will be solvent (in that both the fair value of its assets will not be less than the sum of its debts and that the present fair saleable value of its assets will not be less than the amount required to pay its probable liability on its recourse debts as they mature or become due); (b) will have adequate capital and liquidity with which to engage in its business; and (c) will not have incurred and does not plan to incur debts beyond its ability to pay as they mature or become due.

5.9 No Outside Reliance. Notwithstanding anything contained in this Article V or any other provision hereof, each of Acquiror and Merger Sub, and any of their respective directors, officers, employees, stockholders, partners, members or representatives, acknowledge and agree (a) that Acquiror is a sophisticated purchaser and has such knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of participation in the Merger, (b) that Acquiror has made its own investigation of the Company and is entering into this Agreement based upon such investigation, (c) neither the Company nor any of its Affiliates, agents or representatives is making any representation or warranty whatsoever, express or implied, beyond those expressly given in Article IV, including any implied warranty or representation as to condition, merchantability, suitability or fitness for a particular purpose or trade as to any of the assets of the Company or any of its Subsidiaries, and (d) that Acquiror and Merger Sub, and any of their respective directors, officers, employees, partners, members or representatives, expressly waive any and all rights with respect to, and are not relying in any way upon, any such representations and warranties mentioned in the preceding clause (c). Without limiting the generality of the foregoing, it is understood that any cost estimates, financial or other projections or other predictions that may be contained or referred to in the Schedules or elsewhere, as well as any information, documents or other materials (including any such materials contained in any “data room” or reviewed by Acquiror pursuant to the Confidentiality Agreement) or management presentations that have been or shall hereafter be provided to Acquiror or any of its Affiliates, agents or representatives are not and will not be deemed to be representations or warranties of the Company, and no representation or warranty is made as to the accuracy or completeness of any of the foregoing except as may be expressly set forth in this Agreement. Except as otherwise expressly set forth in this Agreement, Acquiror understands and agrees that any inventory, equipment, assets, properties and business of the Company and its Subsidiaries are furnished “as is”, “where is” and subject to the representations and warranties contained in Article IV, with all faults and without any other representation or warranty of any nature whatsoever.

ARTICLE VI. COVENANTS

6.1 Indemnification and Insurance.

(a) From and after the Effective Time, Acquiror agrees that it shall indemnify and hold harmless each present and former director and executive officer (vice president and above) of the Company and any of its Subsidiaries (“Company Indemnified Persons”) against any costs or expenses (including reasonable attorneys’ fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to matters existing or occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or

after the Effective Time, to the fullest extent that the Company or any of its Subsidiaries, as the case may be, would have been permitted under applicable Law in effect on the date of this Agreement to indemnify such person (including the advancing of expenses as incurred to the fullest extent permitted under applicable Law); provided that any advancement of expenses to the Company Indemnified Persons shall be subject to the Company Indemnified Person to whom expenses are advanced providing an undertaking to repay such advance if it is ultimately determined that such Company Indemnified Person is not entitled to indemnification. Without limiting the foregoing, (i) Acquiror shall cause the Company and each of its Subsidiaries (A) to maintain for a period of not less than six years from the Effective Time provisions in its certificate of incorporation, bylaws and other organizational documents concerning the indemnification and exoneration (including provisions relating to expense advancement) of the Company Indemnified Persons that are no less favorable to those Persons than the provisions of the certificates of incorporation, bylaws and other organizational documents of the Company or such Subsidiary, as applicable, in each case, as of the date of this Agreement and (B) for a period of not less than six years from the Effective Time not to amend, repeal or otherwise modify such provisions in any respect that would adversely affect the rights of those Persons thereunder, in each case, except as required by Law and (ii) Acquiror agrees that any indemnification and advancement of expenses available to any current or former director of the Company or its Subsidiaries by virtue of such current or former director's service as a partner or employee of any investment fund that is an Affiliate of the Company prior to the Effective Time (any such current or former director, a "Sponsor Director") shall be secondary to the indemnification and advancement of expenses to be provided by Acquiror, the Company and its Subsidiaries pursuant to this Section 6.1 and that Acquiror, the Company and its Subsidiaries (A) shall be the primary indemnitors of first resort for Sponsor Directors pursuant to this Section 6.1, (B) shall be fully responsible for the advancement of all expenses and the payment of all Damages with respect to Sponsor Directors which are addressed by this Section 6.1 and (C) shall not make any claim for contribution, subrogation or any other recovery of any kind in respect of any other indemnification available to any Sponsor Director with respect to any matter addressed by this Section 6.1. Acquiror shall assume, and be jointly and severally liable for, and shall cause the Company and its Subsidiaries to honor, each of the covenants in this Section 6.1.

(b) For a period of six years from the Effective Time, Acquiror shall cause the Surviving Corporation to maintain in effect directors' and officers' liability insurance covering those Persons who are currently covered by the Company's or any of its Subsidiaries' directors' and officers' liability insurance policies (true, correct and complete copies of which have been heretofore made available to Acquiror or its agents or representatives) on terms not materially less favorable than the terms of such current insurance coverage; provided, however, that (i) Acquiror or the Surviving Corporation may cause coverage to be extended under the current directors' and officers' liability insurance by obtaining a six-year "tail" policy containing terms not materially less favorable than the terms of such current insurance coverage with respect to claims existing or occurring at or prior to the Effective Time and (ii) if any claim is asserted or made within such six-year period, any insurance required to be maintained under this Section 6.1 shall be continued in respect of such claim until the final disposition thereof.

(c) Notwithstanding anything contained in this Agreement to the contrary, this Section 6.1 shall survive the consummation of the Merger indefinitely and shall be binding, jointly and severally, on all successors and assigns of Acquiror and the Surviving Corporation.

In the event that Acquiror or the Surviving Corporation or any of their respective successors or assigns consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of Acquiror or the Surviving Corporation, as the case may be, shall succeed to the obligations set forth in this [Section 6.1](#).

6.2 [Employment Matters](#).

(a) No provision of this Agreement shall be construed as a guarantee of continued employment of any employee who continues in the employ of Acquiror, the Surviving Corporation or any of their Subsidiaries immediately following the Closing Date ("[Continuing Employees](#)") and this Agreement shall not be construed so as to prohibit the Acquiror or any of its Subsidiaries from having the right to terminate the employment of any Continuing Employee, provided that any such termination is effected in accordance with applicable Law.

(b) From and after the Effective Time, the Acquiror shall give each Continuing Employee full credit for purposes of eligibility to participate, level of benefits, vesting and benefit accrual under any employee benefit plans, arrangements, collective agreements and employment-related entitlements provided, sponsored, maintained or contributed to by Acquiror or any of its Subsidiaries for such Continuing Employee's service with the Company or any of its Subsidiaries, and with any predecessor employer, to the same extent recognized by the Company or any of its Subsidiaries with respect to a similar plan, except to the extent such credit would result in the duplication of benefits for the same period of service. Notwithstanding the foregoing, to the extent permitted under applicable Law, Acquiror shall not be required to provide credit for such service for benefit accrual purposes under any employee benefit plan of Acquiror that is a defined benefit pension plan.

(c) Acquiror shall use commercially reasonable efforts to (i) waive or cause to be waived for each Continuing Employee and his or her dependents, any waiting period provision, payment requirement to avoid a waiting period, pre-existing condition limitation, actively-at-work requirement and any other restriction that would prevent immediate or full participation under the welfare plans of Acquiror or any of its Subsidiaries applicable to such Continuing Employee to the extent such waiting period, pre-existing condition limitation, actively-at-work requirement or other restriction would not have been applicable to such Continuing Employee under the terms of the welfare plans of the Company and its Subsidiaries, and (ii) give or cause to be given full credit under the welfare plans of Acquiror and its Subsidiaries applicable to each Continuing Employee and his or her dependents for all co-payments and deductibles satisfied prior to the Closing Date in the same plan year as the Closing Date, and for any lifetime maximums, as if there had been a single continuous employer.

(d) This Agreement is not intended by the Parties to, and nothing in this [Section 6.2](#) or otherwise in this Agreement shall, (i) constitute an amendment to any Company Benefit Plan, (ii) obligate Acquiror or any Company to maintain any particular compensation or benefit plan, program, policy or arrangement, (iii) create any obligation of the parties hereto with respect to any employee benefit plan of Acquiror or any Company, or (iv) confer on any Continuing Employee or any other Person (other than the Parties to this Agreement) any rights or remedies (including third-party beneficiary rights).

6.3 Post-Effective Time Access; Preservation of Records. From and after the Effective Time, Acquiror will make or cause to be made available to the Holder Representative all books, records and documents of the Company and its Subsidiaries (and the assistance of employees responsible for such books, records and documents) during regular business hours for such purposes as is believed by the Holder Representative to be reasonably necessary; provided, however, that access to such books, records, documents and employees will not interfere with the normal operations of the Company and its Subsidiaries and the Holder Representative shall reimburse the Company and its Subsidiaries for their reasonable out-of-pocket expenses incurred in connection therewith. Acquiror will cause the Company and its Subsidiaries to maintain and preserve all such books, records and other documents for the greater of (i) seven (7) years after the Closing Date or (ii) any applicable statutory or regulatory retention period, as the same may be extended, unless, prior to the destruction thereof, Acquiror gives the Holder Representative reasonable notice of such destruction and the opportunity to copy or take possession of all or any portion of such books, records and other documents.

6.4 Discharge of Existing Notes. The Acquiror shall cause OSI to take any actions necessary to facilitate the satisfaction and discharge of the Notes pursuant to (i) the notice of optional redemption delivered to the trustee by OSI prior to the date of this Agreement and (ii) the satisfaction and discharge provisions or the legal defeasance provisions of the indenture governing the Notes and the other provisions of such indenture applicable thereto. The redemption and satisfaction and discharge of the Notes pursuant to the preceding sentence is referred to as the “Discharge” of the Notes.

6.5 Additional Matters. The parties shall undertake the actions contemplated on Schedule 6.5.

ARTICLE VII. HOLDER REPRESENTATIVE

7.1 Designation and Replacement of Holder Representative. The parties have agreed that it is desirable to designate a representative to act on behalf of holders of the Common Stock and the Options for certain limited purposes, as specified herein (the “Holder Representative”). The parties have designated Harpoon Holder Representative, LLC as the initial Holder Representative, and approval of this Agreement by the holders of Common Stock shall constitute ratification and approval of such designation. The Holder Representative may resign at any time, and the Holder Representative may be removed by the vote of Persons which collectively owned more than fifty percent (50%) of the Aggregate Fully-Diluted Common Shares immediately prior to the Effective Time (the “Majority Holders”). In the event that a Holder Representative has resigned or been removed, a new Holder Representative shall be appointed by a vote of the Majority Holders, such appointment to become effective upon the written acceptance thereof by the new Holder Representative.

7.2 Authority and Rights of the Holder Representative; Limitations on Liability. The Holder Representative shall have such powers and authority as are necessary to carry out the functions

assigned to it under this Agreement; provided, however, that the Holder Representative shall have no obligation to act on behalf of the Holders, except as expressly provided herein. Without limiting the generality of the foregoing, the Holder Representative shall have full power, authority and discretion to (i) estimate and determine the amounts of Holder Allocable Expenses and to pay such Holder Allocable Expenses in accordance with Section 3.3, and (ii) after the Closing, negotiate and enter into amendments to this Agreement and take actions pursuant to Sections 3.9 and 6.5 for and on behalf of the Holders. The Holder Representative shall have no liability to Acquiror, the Company or Holder with respect to actions taken or omitted to be taken in its capacity as the Holder Representative. The Holder Representative shall at all times be entitled to rely on any directions received from the Majority Holders; provided, however, that the Holder Representative shall not be required to follow any such direction, and shall be under no obligation to take any action in its capacity as the Holder Representative, unless the Holder Representative is holding funds delivered to it under Section 3.3 of this Agreement and/or has been provided with other funds, security or indemnities which, in the sole determination of the Holder Representative, are sufficient to protect the Holder Representative against the costs, expenses and liabilities which may be incurred by the Holder Representative in responding to such direction or taking such action. The Holder Representative shall be entitled to engage such counsel, experts and other agents and consultants as it shall deem necessary in connection with exercising its powers and performing its function hereunder and (in the absence of bad faith on the part of the Holder Representative) shall be entitled to conclusively rely on the opinions and advice of such Persons. The Holder Representative shall be entitled to reimbursement from funds paid to it under Section 3.3 of this Agreement for all reasonable expenses, disbursements and advances (including fees and disbursements of its counsel, experts and other agents and consultants) incurred by the Holder Representative in such capacity, and shall be entitled to indemnification by the Holders against any loss, liability or expenses arising out of actions taken or omitted to be taken in its capacity as the Holder Representative (except for those arising out of the Holder Representative's bad faith or willful misconduct), including the costs and expenses of investigation and defense of claims. In the event that the funds paid to the Holder Representative pursuant to Section 3.3 exceed the Holder Allocable Expenses, the Holder Representative shall distribute such excess amount to each Holder of Common Shares in accordance with such Holder's Escrow Percentage (as defined on Schedule 6.5).

**ARTICLE VIII.
SURVIVAL**

8.1 Survival of Representations, Warranties and Covenants. None of the representations or warranties or (other than Articles II, III, VI, VII, VIII, and IX) the covenants or agreements contained in this Agreement, or in any certificate or report delivered by any of the parties hereto on or prior to the Closing Date, shall survive the Effective Time.

**ARTICLE IX.
MISCELLANEOUS**

9.1 Waiver. Any party to this Agreement may waive any of the terms or conditions of this Agreement or agree to an amendment or modification to this Agreement by an agreement in writing executed in the same manner (but not necessarily by the same Persons) as this Agreement.

9.3 Assignment. No party hereto shall assign this Agreement or any part hereof without the prior written consent of the other parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns.

9.4 Rights of Third Parties. Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon or give any Person, other than the parties hereto, any right or remedies under or by reason of this Agreement; provided, however, that, notwithstanding the foregoing (i) the present and former officers and directors of the Company (and their successors, heirs and representatives) are intended third-party beneficiaries of, and may enforce, Section 6.1, (ii) from and after the Effective Time, the Holders (and their successors, heirs and representatives) shall be intended third-party beneficiaries of, and may enforce, Articles II and III, (iii) the Holders are intended third-party beneficiaries of the obligations of Acquiror and Merger Sub hereunder and (iv) the past, present and future directors, officers, employees, incorporators, members, partners, stockholders, Affiliates, agents, attorneys, advisors and representatives of the parties, and any Affiliate of any of the foregoing (and their successors, heirs and representatives), are intended third-party beneficiaries of, and may enforce, Section 9.16, and (v) the Holders and their respective Affiliates and L&W shall be intended third-party beneficiaries of, and may enforce, Section 9.15.

9.5 Expenses. Except as otherwise provided herein (including Section 3.4), each party hereto, other than the Holder Representative (whose expenses shall be paid out of funds paid to the Holder Representative under Section 3.3), shall bear its own expenses incurred in connection with this Agreement and the transactions herein contemplated, including all fees of its legal counsel, financial advisers and accountants.

9.6 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction.

9.7 Captions; Counterparts. The captions in this Agreement are for convenience only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

9.8 Schedules and Annexes. The Schedules and Annexes referenced herein are a part of this Agreement as if fully set forth herein. All references herein to Schedules and Annexes shall be deemed references to such parts of this Agreement, unless the context shall otherwise require. Any disclosure made by a party in the Schedules with reference to any section or schedule of this Agreement shall be deemed to be a disclosure with respect to all other sections or schedules to which such disclosure may apply so long as such disclosure is in sufficient detail to enable a reasonable person to identify the other article or section of this Agreement to which such information is responsive. Certain information set forth in the Schedules is included solely for informational purposes and may not be required to be disclosed pursuant to this Agreement. The disclosure of any information shall not be deemed to constitute an acknowledgment that such information is required to be disclosed in connection with the representations and warranties made in this Agreement, nor shall such information be deemed to establish a standard of materiality.

9.9 Entire Agreement. This Agreement (together with the Schedules and Annexes to this Agreement) and that certain Confidentiality Agreement dated as of January 23, 2012 between Acquiror and the Company (the "Confidentiality Agreement") constitute the entire agreement among the parties relating to the transactions contemplated hereby and supersede any other agreements, whether written or oral, that may have been made or entered into by or among any of the parties hereto or any of their respective Subsidiaries relating to the transactions contemplated hereby. No representations, warranties, covenants, understandings, agreements, oral or otherwise, relating to the transactions contemplated by this Agreement exist between the parties except as expressly set forth in this Agreement and the Confidentiality Agreement.

9.10 Amendments. This Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed in the same manner as this Agreement and which makes reference to this Agreement. The approval of this Agreement by the stockholders of the Company shall not restrict the ability of the Board of Directors of the Company to enter into an amendment to this Agreement pursuant to this Section 9.10 to the extent permitted under Section 251(d) of the DGCL.

9.11 Publicity. Except as required by Law or the rules of a stock exchange (in which case Acquiror shall give the Company reasonable notice and opportunity for review and consider in good faith any comments made by the Company with respect thereto), all press releases or other public communications of any nature whatsoever relating to the transactions contemplated by this Agreement, and the method of the release for publication thereof, shall be subject to the prior mutual approval of Acquiror and the Holder Representative, which approval shall not be unreasonably withheld by any party.

9.12 Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement shall remain in full force and effect. The parties further agree that if any provision contained herein is, to any extent, held invalid or unenforceable in any respect under the Laws governing this Agreement, they shall take any actions necessary to render the remaining provisions of this Agreement valid and enforceable to the fullest extent permitted by Law and, to the extent necessary, shall amend or otherwise modify this Agreement to replace any provision contained herein that is held invalid or unenforceable with a valid and enforceable provision giving effect to the intent of the parties.

9.13 Jurisdiction. Any proceeding or action based upon, arising out of or related to this Agreement or the transactions contemplated hereby may be brought in the Delaware Chancery Court (or, if the Delaware Chancery Court shall be unavailable, any other court of the State of Delaware or, in the case of claims to which the federal courts have exclusive subject matter jurisdiction, any federal court of the United States of America sitting in the State of Delaware), and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such proceeding or action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the proceeding or action shall be heard and determined only in any such court, and agrees not to bring any proceeding or action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by Law or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any action, suit or proceeding brought pursuant to this Section 9.13.

9.14 Enforcement. The parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without proof of damages, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, neither the Company nor Acquiror would have entered into this Agreement. Each party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The parties acknowledge and agree that any party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section shall not be required to provide any bond or other security in connection with any such injunction.

9.15 Attorney-Client Privilege and Conflict Waiver. Latham & Watkins LLP (“L&W”) has represented the Company, the Holder Representative, certain of the Holders and their respective Affiliates. Each of the parties hereto recognizes the commonality of interest that exists and will continue to exist until the Effective Time, and the parties hereto agree that such commonality of interest should continue to be recognized after the Effective Time. Specifically, the parties hereto agree that Acquiror shall not, and shall not cause the Company or any of its Subsidiaries to, seek to have L&W disqualified from representing the Holder Representative, any Holders or any of their respective Affiliates in connection with any dispute that may arise between the Holder Representative, any Holders or any of their respective Affiliates, on the one hand, and Acquiror or any of its Affiliates, on the other, in connection with this Agreement or the transactions contemplated hereby, and in connection with any such dispute that may arise between the Holder Representative, any Holders or any of their respective Affiliates, on the one hand, and Acquiror or any of its Affiliates, on the other, the Holder Representative (and not Acquiror or the Company) will have the right to decide whether or not to waive the attorney client privilege that may apply to any communications between the Company and its Subsidiaries and L&W that occurred before the Effective Time. Notwithstanding the foregoing, in the event that any dispute arises between Acquiror or the Company and a third party, the Company may assert the attorney-client privilege to prevent disclosure of confidential communications by L&W to such third party; provided, however, that the Company may not waive such privilege without the prior written consent of the Holder Representative. The Acquiror and the Company each hereby acknowledge that each of them have had the opportunity to discuss and obtain adequate information concerning the significance and material risks of, and reasonable available alternatives to, the waivers, permissions and other provisions of this Agreement, including the opportunity to consult with counsel other than L&W. This Section 9.15 shall be irrevocable, and no term of this Section 9.15 may be amended, waived or modified, without the prior written consent of Holder Representative and L&W.

9.16 Non-Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against, the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party. Except to the extent a named party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party in this Agreement), (a) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any named party to this Agreement and (b) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of the Company or Acquiror under this Agreement (whether for indemnification or otherwise) of or for any claim based on, arising out of, or related to this Agreement or the transactions contemplated hereby.

IN WITNESS WHEREOF the parties have hereunto caused this Agreement to be duly executed as of the date first above written.

Fiserv Acquires Open Solutions Inc., Expanding its Suite of Innovative Technology Solutions for Financial Institutions

Combination will provide additional value for Open Solutions clients and add to Fiserv products and capabilities;

Company announces preliminary 2012 results and preliminary 2013 guidance

Brookfield, Wis., January 14, 2013 – Fiserv, Inc. (NASDAQ: FISV), a leading global provider of financial services technology solutions, today announced that it has acquired Open Solutions Inc., a leading provider of collaborative, enterprise core account processing technology for financial institutions. The purchase price was \$55 million, and Fiserv assumed approximately \$960 million of debt. In conjunction with the acquisition, Fiserv will benefit from an acquired tax asset with a net present value at the time of purchase of approximately \$165 million.

Open Solutions is a Glastonbury, Conn.-based technology provider to banks, thrifts and credit unions. Through this acquisition, Fiserv will add several new technologies to its offerings, including DNA™, a real-time, open technology account processing platform. DNA is an attractive alternative for financial institutions that seek a modern technology architecture and want to benefit from the power of data and integration. The platform also enables collaboration and technology-sharing through DNAcreator™ and DNAappstore™ to deliver localized and unique customer-facing value.

Through this acquisition, Fiserv will also add several other key solutions, including the CUnify™ and TotalPlus™ account processing platforms, Weiland Account Analysis™ for commercial account analysis, tools that enable the creation and sharing of client-developed functionality, and Raddon Financial Group, which offers performance consulting services.

Open Solutions serves more than 3,300 clients worldwide, including more than 800 account processing clients. These clients can benefit from the broad array of add-on solutions offered by Fiserv, such as its CheckFree® RXP® electronic bill payment service, ACCEL/Exchange® payments network, debit processing services, Popmoney® social payments service, Corillian Online® banking, Mobiliti™ mobile banking, and a variety of other products and services that can create opportunities for financial institutions to grow and prosper.

“Open Solutions provides several growth opportunities, including a real-time account processing capability that serves multiple charter types, languages and currencies on a single platform,” said

Jeffery Yabuki, President and Chief Executive Officer of Fiserv. “Open Solutions’ strong team of associates is intently focused on client success and committed to collaborative technology, which will enhance the value we provide to our clients.”

“We are extremely proud of the innovative products Open Solutions has developed since its founding in 1992, and the strong business that we have built over the years,” said Louis Hernandez, Jr., Chairman and Chief Executive Officer of Open Solutions. “Joining Fiserv provides us with significant resources that will benefit our clients and increase market momentum. We are delighted to join Fiserv, a leader in the delivery of innovative financial services technologies.”

This acquisition adds technology solutions, brings a base of high-quality account processing clients, and provides new opportunities for Open Solutions clients to create value for their customers and members. Over time, Fiserv expects to add some of the features contained in its Acumen® account processing platform to DNA. This combination will provide financial institutions – including credit unions, banks and thrifts – with a technology platform that enables the delivery of a differentiated experience along with integrated solutions. This enhanced technology will also be available for those institutions that want agility and speed in the United States, and in selected areas around the world.

The company expects to achieve annualized revenue synergies in connection with the acquisition of at least \$75 million, and annualized cost synergies in excess of \$50 million, over the next several years. The transaction was completed on January 14, 2013.

Additional information about the transaction is available at www.fiserv.com.

Preliminary 2012 Results and Preliminary 2013 Guidance

Based on preliminary information, the company anticipates its 2012 adjusted earnings per share to increase approximately 12 percent over 2011. The company also anticipates its 2012 adjusted internal revenue growth to be at 2 percent for the full year.

On a preliminary basis for 2013, the company expects adjusted internal revenue growth of 3 to 4 percent, and 15 to 18 percent adjusted earnings per share growth over 2012.
