Closing of Euro Notes Offering

General Information

On May 24, 2023, Fiserv, Inc. (the “Company”) completed the public offering and issuance of €800,000,000 aggregate principal amount of its 4.500% Senior Notes due 2031 (the “Notes”).

The Notes were issued under an Indenture (the “Indenture”), dated as of November 20, 2007, between the Company and U.S. Bank Trust Company, National Association, (f/k/a U.S. Bank National Association), as trustee (the “Trustee”), as supplemented by the Twenty-Ninth Supplemental Indenture, establishing the terms and providing for the issuance of the Notes (the “Supplemental Indenture”), dated as of May 24, 2023 by and between the Company and the Trustee. Pursuant to an Agency Agreement, dated as of May 24, 2023 (the “Agency Agreement”), the Company has appointed Elavon Financial Services DAC, UK Branch to act as paying agent for the Notes.

Interest Rate and Maturity

The Supplemental Indenture and the form of the Notes that is included therein provide, among other things, that the Notes bear interest at a rate of 4.500% per year (payable annually in arrears on May 24 of each year, beginning on May 24, 2024) and will mature on May 24, 2031.

Optional Redemption

Prior to February 24, 2031 (three months prior to the maturity date of the Notes) (the “Par Call Date”), the Company may redeem the Notes at the Company’s option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (a) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed discounted to the redemption date (assuming that such Notes matured on the Par Call Date), on an annual (ACTUAL/ACTUAL (ICMA)) basis at a rate equal to the comparable government bond rate, plus 35 basis points, less interest accrued to the date of redemption; and (b) 100% of the principal amount of the Notes to be redeemed; *plus*, in either case, accrued and unpaid interest on the Notes to, but not including, the redemption date. On or after the Par Call Date, the Company may redeem the Notes in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to the redemption date.

Repurchase Upon a Change of Control Triggering Event

The Company is required to offer to repurchase the Notes for cash at a price of 101% of the aggregate principal amount of the Notes outstanding on the date of a change of control triggering event, plus accrued and unpaid interest.

Events of Default

The Indenture and the Supplemental Indenture contain customary events of default. If an event of default occurs and is continuing with respect to the Notes, then the Trustee or the holders of at least 25% of the principal amount of the outstanding Notes may declare the Notes to be due and payable immediately. In addition, in the case of an event of default arising from certain events of bankruptcy, insolvency or reorganization, all outstanding Notes will become due and payable immediately.

ARTICLE II ISSUANCE OF SECURITIES

Section 2.1 Issuance of Notes: Principal Amount; Maturity.

(1) On May 24, 2023, the Company shall issue and deliver to the Trustee, and the Trustee shall authenticate, the Initial Notes substantially in the form set forth in Section 3.2 below, in each case with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Indenture and this Supplemental Indenture, and with such letters, numbers, or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or Depository therefor (including the ICSDs), the Code, or any applicable securities laws, or as may, consistently herewith, be determined by the officers executing such Notes, as evidenced by their execution of such Notes.

(2) The Initial Notes to be issued pursuant to this Supplemental Indenture shall be issued in the aggregate principal amount of €800,000,000 and shall mature on May 24, 2031 unless the Notes are redeemed or repurchased prior to that date in accordance with the provisions set forth in Sections 5.1, 5.2 or 6.3 hereof. The Initial Notes shall be offered by the Company at a price of 99.566% of the aggregate principal amount of such series. The aggregate

principal amount of Initial Notes Outstanding at any time may not exceed €800,000,000, except for Notes issued, authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of the series pursuant to Sections 304, 305, 306, 906 or 1107 of the Indenture and except for any Notes which, pursuant to Section 303 of the Indenture, are deemed never to have been authenticated and delivered. The Company may without the consent of the Holders, issue Additional Notes hereunder on the same terms and conditions (except for the issue date, public offering price and, if applicable, the payment of interest accruing prior to the issue date and the initial Interest Payment Date) and with the same CUSIP numbers as the Initial Notes; *provided* that, if any Additional Notes are issued at a price that causes such Additional Notes to have “original issue discount” within the meaning of Section 1273 of the United States Internal Revenue Code of 1986, as amended, and regulations of the United States Department of Treasury thereunder (the “Code”), such Additional Notes shall not have the same CUSIP number as the Initial Notes.

(3) The Notes shall be issued only in fully registered form without coupons in minimum denominations of €100,000 and any integral multiple of €1,000 in excess thereof.

(4) Notwithstanding anything to the contrary in the Indenture, Elavon Financial Services DAC, UK Branch will initially act as paying agent for the Notes and not the Trustee. The Company may appoint and change the Paying Agent without prior notice to the Holders.

Section 2.2 Interest.

(1) Interest on the Notes shall accrue at the per annum rate of 4.500% and shall be paid on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from, and including, the last scheduled Interest Payment Date to which interest was paid on the Notes (or from May 24, 2023, if no interest has been paid on the Notes) to, but excluding, the next scheduled Interest Payment Date (such payment convention being referred to as the ACTUAL/ACTUAL (ICMA) (as defined in the rulebook of the International Capital Markets Association) day count convention).

(2) The Company shall pay interest on the Notes annually in arrears on May 24 of each year (each, an Interest Payment Date”), commencing May 24, 2024.

(3) Interest shall be paid on each Interest Payment Date to the registered Holders of the Notes on the Regular Record Date in respect of such Interest Payment Date.

(5) If any Interest Payment Date, Maturity Date, Redemption Date or Change of Control Purchase Date falls on a day that is not a Business Day, the Company shall make the required payment of principal, premium, if any, and/or interest on the next such Business Day as if it were made on the date payment was due, and no interest shall accrue on the amount so payable for the period from and after that Interest Payment Date, the Maturity Date or earlier Redemption Date or Change of Control Purchase Date, as the case may be, to the next such Business Day.

Section 2.3 Issuance in Euro.

Payments of principal (and premium, if any) and interest on the Notes, including any payments made upon the redemption or repurchase of the Notes pursuant to Sections 5.1, 5.2 or 6.3 hereof, will be made in euro. Distributions of such amounts with respect to any Global Security will be credited in euro to the extent received by the ICSDs to the cash accounts of the ICSD customers in accordance with their Applicable Procedures. If euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or if the euro is no longer used by the member states of the European Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of this Note will be made in Dollars until the euro is again available to the Company or so used. In such circumstances, the amount payable on any date in euro will be converted into Dollars at the Market Exchange Rate as of the close of business on the second Business Day prior to the relevant payment date or, if such Market Exchange Rate is not then available, on the basis of the then most recent Dollar/euro exchange rate available on or prior to the second Business Day prior to the relevant payment date as determined by the Company in its sole discretion. Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture, this Supplemental Indenture or the Notes.

Section 2.4 Relationship with Indenture.

The terms and provisions contained in the Indenture shall constitute, and are hereby expressly made, a part of this Supplemental Indenture. However, to the extent any provision of the Indenture conflicts with the express provisions of this Supplemental Indenture, the provisions of this Supplemental Indenture shall govern and be controlling.

(5) Upon their original issuance, the Notes shall be issued in the form of one or more Global Securities (each, a Global Note) in definitive, fully registered form without interest coupons. The aggregate principal amount of Initial Notes Outstanding at any time may not exceed €800,000,000 in aggregate principal amount, except for Notes issued, authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 304, 305, 306, 906 or 1107 of the Base Indenture and except for any Notes which, pursuant to Section 303 of the Base Indenture, are deemed never to have been authenticated and delivered. Additional Notes may be issued in accordance with the provisions of Section 2.1(2) of the Supplemental Indenture.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture. In the event of a conflict between this Note and the Indenture, the provisions of the Indenture shall govern.

2. *Optional Redemption.* Prior to the Par Call Date, the Company may redeem the Notes, pursuant to Section 5.1 of the Supplemental Indenture, at its option, in whole or in part, at any time and from time to time, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (1) (a) the sum of the present values of the remaining scheduled payments of principal of and interest on the Notes to be redeemed discounted to the Redemption Date (assuming that the Notes matured on the Par Call Date), on an annual (ACTUAL/ACTUAL (ICMA)) basis at a rate equal to the sum of the Comparable Government Bond Rate plus 35 basis points, less (b) interest accrued to the date of redemption; and (2) 100% of the principal amount of the Notes to be redeemed; *plus*, in either case, accrued and unpaid interest on the Notes to, but not including, the Redemption Date. On or after the Par Call Date for the Notes, the Company may redeem the Notes in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes being redeemed, *plus* accrued and unpaid interest thereon to the Redemption Date.
3. *Optional Tax Redemption.* The Notes may be redeemed pursuant to Section 5.2 of the Supplemental Indenture, at the Surviving Person’s option, in whole but not in part, at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed, *plus* accrued and unpaid interest on the principal amount being redeemed (and any Additional Amounts) to, but not including, the Redemption Date, if (a) at any time following a transaction to which the provisions of Section 801 of the Indenture applies,

the Surviving Person is required to pay Additional Amounts pursuant to Section 6.4 of the Supplemental Indenture and (b) such obligation cannot be avoided by the Surviving Person taking reasonable measures available to it. Prior to the giving of any notice of redemption in respect of the foregoing, the Surviving Person shall deliver to the Trustee an opinion of independent tax counsel of recognized standing to the effect that the Surviving Person is or would be obligated to pay such Additional Amounts. No notice of redemption in respect of the foregoing may be given earlier than 90 days prior to the earliest date on which the Surviving Person would be obligated to pay Additional Amounts if a payment in respect of the relevant Notes were then due.

4. *Mandatory Redemption.* Except as provided in Section 5 below, the Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.
5. *Change of Control Triggering Event.* In the event of a Change of Control Triggering Event, the Holders may require the Company to purchase for cash all or a portion of their Notes at a purchase price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest, if any, pursuant to the provisions of Section 6.3 of the Supplemental Indenture, upon providing to the Company or any Paying Agent the completed Purchase Notice in the form on the reverse hereof or otherwise in accordance with the Applicable Procedures of the Depository.

If Holders of not less than 90% in aggregate principal amount of the Outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making such an offer in lieu of the Company as described in Section 6.3(5) of the Supplemental Indenture, purchase all of such Notes properly tendered and not withdrawn by such Holders, the Company or such third party have the right, upon not less than 10 days' nor more than 60 days' prior notice (provided that such notice is given not more than 60 days following such repurchase pursuant to the applicable Change of Control Offer) to redeem all Notes that remain Outstanding following such purchase on a date specified in such notice (the "Second Change of Control Purchase Date") and at a price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the Second Change of Control Purchase Date.

6. *Global Security.* If this Note is a Global Security, then, in the event of a deposit or withdrawal of an interest in this Note, including an exchange, transfer, redemption, repurchase or conversion of this Note in part only, the Common Depository, as custodian of the Depository, shall make an adjustment on its records to reflect such deposit or withdrawal in accordance with the Applicable Procedures.
7. *Defaults and Remedies.* If an Event of Default shall occur and be continuing, the principal of all the Notes, together with accrued interest to the date of declaration, may be declared due and payable, or in certain circumstances, shall automatically become due and payable, in the manner and with the effect provided in the Supplemental Indenture.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default, and, among other things, the Holders of not less than 25% in aggregate principal amount of the Outstanding Notes shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or premium, if any, or interest hereon, on or after the respective due dates expressed herein.

8. *Amendment, Supplement and Waiver.* The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes under the Indenture at any time by the Company and the Trustee with the written consent of the Holders of at least a majority in aggregate principal amount of the Outstanding Notes. The Indenture also contains provisions permitting the Holders of at least a majority in aggregate principal amount of the Outstanding Notes, on behalf of the Holders of all the Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note or such other Note. Certain modifications or amendments to the Indenture require the consent of the Holder of each Outstanding Note affected.

Notwithstanding any other provision in this note or in the Indenture, the Holder of this Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to Section 307 of the Indenture) interest on this Note on the respective Stated Maturities therefor (or, in the case of redemption, on the Redemption Date), and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

9. *Registration and Transfer.* As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable on the Security Register upon surrender of this Note for registration of transfer at such office or agency of the Company as may be designated by it for such purpose in The City of St. Paul, Minnesota, or at such other offices or agencies as the Company may designate, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees by the Registrar. As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of any authorized denominations as requested by the Holder surrendering the same upon surrender of the Note or Notes to be exchanged, at such office or agency of

the Company. The Trustee upon such surrender by the Holder shall issue the new Notes in the requested denominations. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

10. Prior to due presentment of this Note for registration of transfer, the Company, the Trustee, the Paying Agent and any agent of the Company, the Trustee or the Paying Agent may treat the Person in whose name such Note is registered as the owner thereof for all purposes, whether or not such Note be overdue, and neither the Company, the Trustee nor the Paying Agent or other such agent shall be affected by notice to the contrary.

“If an Event of Default, other than an Event of Default specified in Section 4.1(5) or Section 4.1(6) of this Supplemental Indenture, occurs with respect to the Outstanding Notes and is continuing, then either the Trustee, by notice to the Company, or the Holders of not less than 25% in principal amount of the Outstanding Notes, by notice to the Trustee and the Company, may declare the principal of, and premium, if any, and accrued and unpaid interest on, all of the Notes to be due and payable immediately. ARTICLE V

REDEMPTION OF SECURITIES

The provisions of Article Eleven of the Indenture shall, with respect to the Notes, be replaced in their entirety with the provisions of this Article V.

Section 5.1 Optional Redemption.

(1) Prior to the Par Call Date, the Company may redeem the Notes, at its option, in whole or in part, at any time and from time to time, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (i) (a) the sum of the present values of the remaining scheduled payments of principal of and interest on the Notes to be redeemed discounted to the Redemption Date (assuming that the Notes matured on the Par Call Date), on an annual (ACTUAL/ACTUAL (ICMA)) basis at a rate equal to the sum of the Comparable Government Bond Rate plus 35 basis points, less (b) interest accrued to the date of redemption; and (ii) 100% of the principal amount of the Notes to be redeemed; *plus*, in either case, accrued and unpaid interest on the Notes to the Redemption Date.

(2) On or after the Par Call Date for the Notes, the Company may redeem the Notes in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes being redeemed, *plus* accrued and unpaid interest thereon to the Redemption Date.

Section 5.2 Optional Tax Redemption.

(1) The Surviving Person may, at its option, redeem the Notes, in whole but not in part, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the Notes being redeemed (and any Additional Amounts) to, but not including the Redemption Date, if (a) at any time following a transaction to which the provisions of Section 801 of the Indenture (as amended by this Supplemental Indenture) applies, the Surviving Person is required to pay Additional Amounts pursuant to Section 6.4 of this Supplemental Indenture and (b) such obligation cannot be avoided by the Surviving Person taking reasonable measures available to it.

(2) Prior to the giving of any notice of redemption in respect of the foregoing, the Surviving Person shall deliver to the Trustee an opinion of independent tax counsel of recognized standing to the effect that the Surviving Person is or would be obligated to pay such Additional Amounts.

(3) No notice of redemption pursuant to this Section 5.2 may be given earlier than 90 days prior to the earliest date on which the Surviving Person would be obligated to pay Additional Amounts if a payment in respect of the relevant Notes were then due.

Section 5.3 Optional Redemption Procedures.

(1) The Company's actions and determinations in determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error. For so long as the Notes are registered in the name of the Common Depositary (or its nominee) on behalf of Euroclear and Clearstream, the redemption of the Notes shall be done in accordance with the policies and the Applicable Procedures of the Common Depositary, Euroclear and Clearstream.

(2) The election of the Company to redeem any Notes pursuant to Section 5.1 or Section 5.2 shall be evidenced by a Board Resolution or an Officers' Certificate issued pursuant to a Board Resolution.

(3) If the Company chooses to redeem less than all of the Notes pursuant to Section 5.1, then the Company shall notify the Trustee at least five days before giving notice of redemption, or such shorter period as is satisfactory to the Trustee, of the aggregate principal amount of the Notes to be redeemed and the Redemption Date.

In the case of a partial redemption, selection of the Notes for redemption shall be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair. No Notes of a principal amount of €100,000 or less shall be redeemed in part.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Supplemental Indenture, unless the context otherwise requires, all provisions relating to the redemption of Notes shall relate, in the case of any Notes redeemed or to be redeemed only in part, to the portion of the principal amount of such Notes which has been or is to be redeemed.

(4) Notice of any redemption pursuant to Section 5.1 and Section 5.2 shall be mailed or electronically delivered (or otherwise transmitted in accordance with the Applicable Procedures of Euroclear or Clearstream) at least 10 days but no more than 60 days before the Redemption Date to Holders of any Notes to be redeemed (with a copy to the Trustee), except that notice may be given more than 60 days prior to the date fixed for redemption if the notice is issued in connection with a Defeasance, Covenant Defeasance or satisfaction and discharge. Failure to give notice in the manner herein provided to the Holder of any Notes designated for redemption as a whole or in part, or any defect in the notice to any such Holder, shall not affect the validity of the proceedings for the redemption of any Notes or portion thereof, and any notice given in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the applicable Holder receives the notice.

All notices of redemption shall state:

- (i) the Redemption Date;
- (ii) the Redemption Price or the manner of calculating the Redemption Price (in which case no Redemption Price need be specified);
- (iii) the aggregate principal amount of the Notes to be redeemed;
- (iv) if less than all of the Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption, the portions of the principal amounts) of the particular Notes to be redeemed;
- (v) that on the Redemption Date the Redemption Price shall become due and payable upon each such Note to be redeemed and that interest thereon shall cease to accrue on and after said date;
- (vi) the place or places where such Notes are to be surrendered for payment of the Redemption Price;
- (vii) the CUSIP numbers of such Notes, if any (or any other numbers used by the Depositary to identify such Notes);
- (viii) if the redemption is subject to the satisfaction of one or more conditions precedent, each such condition, and that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the Redemption Date; and
- (ix) that, unless the Company defaults in paying the Redemption Price, interest shall cease to accrue on the Notes called for redemption on the Redemption Date.

Any notice of any redemption of Notes may, at the Company's discretion, be given subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction that is pending (such as an equity or equity-linked offering, an incurrence of indebtedness or an acquisition or other strategic transaction involving a change of control in us or another entity). If such redemption is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or otherwise waived by the relevant Redemption Date.

Notice of redemption of Notes to be redeemed shall be given by the Company or, on Company Request, by the Trustee at the expense of the Company. Any notice of redemption may provide that payment of the Redemption Price and the performance of the Company's obligations with respect to such redemption may be performed by another Person.

(5) At or before 11:00 a.m., London time, on any Redemption Date, the Company shall deposit with the Trustee or with the Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003 of the Indenture) an amount of money sufficient to pay the Redemption Price of all the Notes which are to be redeemed on that date.

(6) Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Company at the Redemption Price; *provided, however*, that installments of interest whose Stated Maturity is prior to the Redemption Date shall be payable to the Holders of such Notes registered as such at the close of business on the relevant Regular Record Dates according to their terms.

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the rate borne by the Note.

(7) Any Note which is to be redeemed only in part shall be surrendered at an office or agency in accordance with the notice of redemption (with, if the Company or the Trustee shall so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or its attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Note, without service charge, a new Note or Notes of any authorized denominations as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered.

ARTICLE VI PARTICULAR COVENANTS

Section 6.1 Liens.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, create or assume, except in the Company's favor or in favor of one or more of its Wholly-Owned Subsidiaries, any Lien on any Principal Property, or upon any Capital Stock or Indebtedness of any of the Company's Restricted Subsidiaries, that secures any Indebtedness of the Company or such Restricted Subsidiary unless the Outstanding Notes are secured equally and ratably with (or prior to) the obligations so secured by such Lien, except that the foregoing restriction does not apply to any one or more of the following types of Liens:

(1) Liens in connection with workers' compensation, unemployment insurance or other social security obligations (which phrase shall not be construed to refer to ERISA or the minimum funding obligations under Section 412 of the Code);

(4) Liens for taxes, assessments, fees or governmental charges or levies which (a) are not delinquent, (b) are payable without material penalty, (c) are being contested in good faith and by appropriate action or (d) the nonpayment of which in the aggregate would not reasonably be expected to have a material adverse effect on the Company and its Subsidiaries, taken as a whole;

(5) Liens consisting of attachments, judgments or awards against the Company or any of its Subsidiaries with respect to which an appeal or proceeding for review shall be pending or a stay of execution shall have been obtained, or which are otherwise being contested in good faith and by appropriate action, and in respect of which adequate reserves shall have been established in accordance with GAAP on the books of the Company or any of its Subsidiaries;

(13) Liens on Property existing at the time of acquisition thereof and not created in contemplation thereof;

(17) Liens on proceeds of any of the assets permitted to be the subject of any Lien or assignment permitted by this Section 6.1;

Any Lien created for the benefit of the Holders of the Notes pursuant to this Section 6.1 shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Lien giving rise to the obligation to equally and ratably secure the notes.

Section 6.2 Sale and Lease-Back Transactions.

Neither the Company nor any of its Restricted Subsidiaries may sell or transfer to any Person other than the Company or any of its Subsidiaries any Principal Property owned by the Company or any of its Restricted Subsidiaries with the intention of taking back a lease thereof, other than Permitted Sale-Leaseback Transactions.

Section 6.3 Right to Require Repurchase Upon a Change of Control Triggering Event.

(1) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but not including, the date of purchase (the "Change of Control Payment").

(2) Within 30 days following any Change of Control Triggering Event, the Company shall mail (or otherwise deliver in accordance with the Applicable Procedures) a notice to Holders of Notes, with a written copy to the Trustee and the Paying Agent, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

- (i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;
- (ii) that the Change of Control Offer is being made pursuant to this Section 6.3 and that all Notes validly tendered shall be accepted for payment;
- (iii) the Change of Control Payment and the "Change of Control Purchase Date." which date shall be a Business Day that is no earlier than 10 days and no later than 60 days from the date such notice is given, other than as may be required by law; and
- (iv) if the notice is mailed prior to the date of the consummation of the Change of Control, the notice shall state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Purchase Date; *provided* that if the Change of Control Triggering Event occurs after such Change of Control Purchase Date, the Company shall be required to offer to purchase the Notes as otherwise set forth in this Section 6.3.

(3) On the Change of Control Purchase Date, the Company shall be required, to the extent lawful, to:

- (i) accept for payment all Notes or portions of Notes properly tendered and not properly withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent shall promptly mail or otherwise deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the Applicable Procedures of the ICSDs), and the Trustee shall promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder of Notes properly tendered a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note shall be in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof.

(4) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 6.3, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 6.3 by virtue of such conflicts.

(5) Notwithstanding the foregoing, the Company shall not be required to make a Change of Control Offer for the Notes upon a Change of Control Triggering Event if (a) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (b) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption as provided under Section 5.1 unless the Company has failed to pay the Redemption Price on the Redemption Date.

(6) If Holders of not less than 90% in aggregate principal amount of the Outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making such an offer in lieu of the Company as described in Section 6.3(5) of this Supplemental Indenture, purchase all of such Notes properly tendered and not withdrawn by such Holders, the Company or such third party have the right, upon not less than 10 days' nor more than 60 days' prior notice (*provided* that such notice is given not more than 60 days following such repurchase pursuant to the applicable Change of Control Offer) to redeem all Notes that remain Outstanding following such purchase on a date specified in such notice (the "Second Change of Control Purchase Date") and at a price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the Second Change of Control Purchase Date.

Section 6.4 Additional Amounts.

If, following any transaction permitted by Section 801 of the Indenture (as amended by this Supplemental Indenture), the Surviving Person is organized under the laws of a jurisdiction other than the United States, any state or territory thereof or the District of Columbia, all payments made to each holder or beneficial owner by the Surviving Person under, or with respect to, the Notes shall be made free and clear of, and without withholding or deduction for or on account of, any Taxes imposed or levied by or on behalf of the jurisdiction of organization of the Surviving Person or any political subdivision thereof or taxing authority therein (the "Taxing Jurisdiction"), unless such withholding or deduction is required by law or by the official interpretation or administration thereof.

If any amount for, or on account of, such Taxes is required to be withheld or deducted by the Surviving Person from any payment made under or with respect to the Notes to a holder or beneficial owner, the Surviving Person shall pay such additional amounts (the "Additional Amounts") as may be necessary so that the net amount received by each Holder or beneficial owner (including Additional Amounts) after such withholding or deduction shall not be less than the amount such Holder or beneficial owner would have received if such Taxes had not been required to be withheld or deducted; *provided, however*, that the foregoing obligation to pay Additional Amounts does not apply to:

(i) any Taxes imposed by the United States, including any Taxes withheld or deducted pursuant to Sections 1471 through 1474 of the Internal Revenue Code of 1986, as amended (or any amended or successor version of such Sections), any U.S. Treasury regulations promulgated thereunder, any official interpretations thereof or any agreements (including any law implementing any such agreement) entered into in connection with the implementation thereof;

(ii) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Holder or any beneficial owner (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over the relevant holder or beneficial owner, if the relevant Holder or beneficial owner is an estate, nominee, trust or entity) and a Taxing Jurisdiction (other than the mere receipt of such payment or the ownership or holding of such Note outside of the Surviving Person's country of organization);

(iii) any Taxes that are imposed or withheld by reason of the failure by the relevant Holder or any beneficial owner of the Notes to comply on a timely basis with a written request of the Surviving Person addressed to such Holder or any beneficial owner to provide certification, information, documents or other evidence concerning the nationality, residence or identity of such Holder or beneficial owner or to make any declaration or similar claim or satisfy any other reporting requirement relating to such matters, which is required by a statute, treaty, regulation or administrative practice of the applicable Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of withholding or deduction of, all or part of such Taxes;

-
- (iv) any estate, inheritance, gift, sales, excise, transfer, personal property tax or similar tax, duty, assessment or governmental charge;
 - (v) any Taxes that are payable other than by deduction or withholding from a payment on or in respect of the Notes;
 - (vi) any Taxes that are withheld or deducted by a Paying Agent from a payment if the Notes were presented for payment by or on behalf of a Holder to such Paying Agent and such withholding or deduction could have been avoided by presenting the relevant notes to another Paying Agent;
 - (vii) any Taxes that are payable by any Person acting as custodian bank or collecting agent on behalf of a Holder, or otherwise in any manner which does not constitute a withholding or deduction by the Surviving Person, its Paying Agent, or any successor thereof from payments made by it;
 - (viii) any Taxes that are payable by reason of a change in law that becomes effective more than 15 days after the relevant payment becomes due and is made available for payment to the Holders, unless such Taxes would have been applicable had payment been made within such 15 day period;
 - (ix) any Taxes that are deducted or withheld pursuant to (a) any European Union directive or regulation concerning the taxation of interest income; (b) any international treaty or understanding relating to such taxation and to which the Taxing Jurisdiction or the European Union is a party or (c) any provision of law implementing, or complying with, or introduced to conform with, such directive, regulation, treaty or understanding; or
 - (x) any combination of the Taxes described above.

In addition, the Surviving Person shall not be required to pay Additional Amounts to a Holder that is a fiduciary or partnership or any Person other than the sole beneficial owner of such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the actual Holder of such note.

Whenever in this Supplemental Indenture, the Indenture, a Board Resolution, an Officers' Certificate, or any Note, reference is made in any context to the principal of, and any interest on, any Note, such mention shall be deemed to include any relevant Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect of such Note.

The obligations described under this Section 6.4 shall survive any termination or discharge of the Indenture or this Supplemental Indenture, any Defeasance of the Notes and shall apply *mutatis mutandis* to any jurisdiction in which any successor Person to the Company or any Surviving Person is organized or any political subdivision or taxing authority or agency thereof or therein.

- 1.3 References in this Agreement to the payment of principal or interest in respect of any Note shall be deemed to include any Additional Amounts which may become payable in respect thereof pursuant to the Notes, the Base Indenture, and the Supplemental Indenture.
- 1.4 All references in this Agreement to an agreement, instrument or other document (including this Agreement, the Base Indenture, the Supplemental Indenture and the Notes) shall be construed as a reference to that agreement, instrument or document as the same may be amended, modified, varied, supplemented or novated from time to time.

-
- 1.5 Except as specifically set forth in this Agreement, this Agreement is for the exclusive benefit of the parties to this Agreement and their respective successors and permitted assigns, and shall not be deemed to give, either expressly or implicitly, any legal or equitable right, remedy, or claim to any other entity or person whatsoever.
- 1.6 This Agreement shall be read together with and interpreted in light of the Base Indenture and the Supplemental Indenture. In the event of any conflict or inconsistency between the Base Indenture or the Supplemental Indenture and this Agreement, the applicable provisions of the Base Indenture or the Supplemental Indenture, as applicable, shall govern.

2. AGREEMENTS OF THE SECURITY REGISTRAR

- 2.1 On the date of this Agreement, the Security Registrar shall provide to the Paying Agent a complete and correct copy of each Security Register in respect of the Holders of Notes and the outstanding principal amount of Notes held by each Holder of Notes.
- 2.2 The Security Registrar shall from time to time provide to the Paying Agent a complete and correct copy of each Security Register maintained by it as soon as reasonably practicable following any transfer or exchange of any Notes, and promptly on request therefor by the Paying Agent.
- 2.3 The Paying Agent shall be entitled to treat as conclusive the most recent copy of each Security Register provided to it by the Security Registrar in accordance with this Agreement.

3. APPOINTMENT OF PAYING AGENT

- 3.1 The Issuer hereby appoints the Paying Agent, and the Paying Agent hereby agrees, to act at its specified office as paying agent in relation to the Notes in accordance with the provisions of, and upon the terms and subject to the conditions contained in, this Agreement, the Base Indenture and the Supplemental Indenture.
- 3.2 The Paying Agent is appointed hereunder for the purposes of:
- (a) paying sums due on the Notes referred to in Article II of the Twenty-Ninth Supplemental Indenture.
 - (b) otherwise fulfilling its duties and obligations as set out in this Agreement, the Base Indenture and the Supplemental Indenture.

4. PAYMENT

Subject always to the Base Indenture and the Supplemental Indenture and, in particular, any restrictions on the Issuer following delivery of a notice of an Event of Default:

- (a) The Issuer shall, not later than 11:00 am (London time) on each due date for the payment of principal and/or interest and/or other amounts referred to in Article II of the Twenty-Ninth Supplemental Indenture, pay to the applicable account specified by the Paying Agent such amount as is sufficient (together with any funds then held by the Paying Agent and available for the purpose) to pay all principal and interest and/or other amounts referred to in Article II of the Twenty-Ninth Supplemental Indenture, due in respect of the Notes on such date in immediately available funds; provided that if any such date is not a Business Day such payment shall be made on the next succeeding date which is a Business Day. As used in this Agreement, "Business Day" shall have the meaning as set forth in the Supplemental Indenture.

- (b) The Issuer hereby authorises and directs the Paying Agent to make from funds so paid to the Paying Agent payment of all amounts due on the Notes in accordance with the terms of the Notes, the Base Indenture, the Supplemental Indenture and the provisions of this Agreement. If any payment provided for in clause 4(a) is made late but otherwise in accordance with the provisions of this Agreement, the Paying Agent shall nevertheless make payments in respect of the Notes as aforesaid following receipt by the Paying Agent of such payment.
- (c) The Paying Agent shall forthwith notify the Issuer and the Trustee if: (a) it has not, on the date on which any payment is due to be made to the Paying Agent pursuant to clause 4(a), received the full amount payable in respect thereof on such date and (b) it receives unconditionally such full amount, together with accrued interest (if any), after that date. Unless and until the full amount of any such principal or interest payment due to be made to the Paying Agent pursuant to clause 4(a) has been received by it, the Paying Agent will not be bound to make any payments in accordance with clause 4(b).
- (d) Without prejudice to clause 4(c), if the Paying Agent pays out on or after the due date therefor to persons entitled thereto any amounts in accordance with clause 4(b) on the reasonable belief that the corresponding payment due from the Issuer in accordance with clause 4(a) has been or will be made, the Issuer shall, promptly after written demand, reimburse the Paying Agent for the relevant amount, and pay interest to the Paying Agent on such amount from (and including) the date on which it is paid out to (but excluding) the date of reimbursement at the rate per annum equal to the reasonable cost to the Paying Agent of funding the amount paid out, as certified by the Paying Agent and expressed as a rate per annum.
- (e) Payment of only part of the amount payable in respect of a Note may only be made at the discretion of the relevant Holder(s) (except as the result of a withholding or deduction for or on account of any taxes permitted by the Base Indenture or Supplemental Indenture). If at any time a Paying Agent makes a partial payment in respect of any Note presented to it, it shall inform the Security Registrar of the same such that the Security Registrar may record the same on the applicable Security Register.

5. **REPAYMENT**

Any sums paid by, or by arrangement with, the Issuer to the Paying Agent pursuant to the terms of this Agreement shall not be required to be repaid to the Issuer unless and until the Notes in respect of which such sums were paid shall have been purchased by the Issuer or any other Subsidiary of the Issuer and cancelled, but in any of these events the Paying Agent shall (provided that all other amounts due under this Agreement shall have been duly paid) upon written request by the Issuer forthwith repay to the Issuer sums equivalent to the amounts which would otherwise have been payable on the relevant Notes. Notwithstanding the foregoing, the Paying Agent shall not be obliged to make any repayment to the Issuer so long as any amounts which under this Agreement should have been paid to or to the order of the Paying Agent by the Issuer shall remain unpaid. The Paying Agent shall not, however, be otherwise required or entitled to repay any sums properly received by it under this Agreement.

6. **REDEMPTION; NOTICE OF WITHHOLDING OR DEDUCTION**

- 6.1 The Issuer shall provide to the Paying Agent a copy of all notices of redemption that it delivers to Holders of the Notes under the Supplemental Indenture. Each such notice shall include the date(s) on which the applicable redemption is to be made, the Redemption Price or the manner of calculating the Redemption Price (in which case no Redemption Price need be specified) and the other information required by the Supplemental Indenture.

- 6.2 If:
- (a) the Issuer, in respect of any payment; or
 - (b) the Paying Agent, in respect of any payment of principal of or any premium or interest on the Notes, is required to withhold or deduct any amount for or on account of Tax,
 - (c) the Issuer shall give notice thereof to the Paying Agent and the Trustee reasonably promptly after it becomes aware of such requirement and shall give to the Paying Agent such information as the Paying Agent reasonably requires to enable it to make such deduction or withholding; and
 - (d) except where such requirement arises as a result of redemption of the Notes in accordance with the Supplemental Indenture or by virtue of the relevant Holder failing to satisfy any certification or other requirement in respect of its Notes, the Paying Agent shall give prompt notice thereof to the Issuer and the Trustee as soon as reasonably promptly after it becomes aware of the requirement to withhold or deduct.

7. **RECORDS**

7.1 The Paying Agent shall:

- (a) keep a full and complete record of all payments made by it in respect of the Notes; and
- (b) make such records available at all reasonable times to the Issuer and any persons authorised by it, and the Trustee, for inspection and for the taking of copies thereof.

7.2 In the event that the Issuer determines in its sole discretion that withholding will be required by applicable law in connection with any payment due to the Paying Agent on the Notes, then the Issuer will be entitled to redirect or reorganize any such payment in any way that it sees fit in order that the payment may be made without such withholding, provided that any such redirected or reorganized payment is made through a recognized institution of international standing and otherwise made in accordance with this Agreement, the Base Indenture, the Supplemental Indenture and any applicable law. The Issuer will promptly notify the Paying Agent and the Trustee of any such redirection or reorganization.

8. **FEES AND EXPENSES**

8.1 The Issuer will pay to the Paying Agent such fees and expenses in respect of the Paying Agent's services under this Agreement as agreed to in the fee letter, dated May 9, 2023 (the "**Fee Letter**") from the Paying Agent to, and countersigned by, the Issuer; provided, however, that to the extent any of the provisions of this Agreement conflict with Schedule II of the Fee Letter, the terms of this Agreement shall prevail.

8.2 The Issuer will also pay within 60 days after receipt of such invoices and receipts as it may reasonably require, all reasonable and documented out-of-pocket expenses (including necessary advertising, facsimile and telex transmission, postage and insurance expenses and, the reasonable and documented fees and expenses of legal advisers) properly incurred by the Paying Agent directly in connection with the services under this Agreement, together with any applicable value added tax or similar tax properly chargeable thereon. Payment by the Issuer to the Paying Agent of such reasonable and documented out-of-pocket expenses shall be a good discharge of the obligations of the Issuer in respect thereof. Where the advice of legal counsel is sought by the Paying Agent, the Paying Agent will notify the Issuer and agree to the fees of any such counsel in advance where it is practical and permissible to do so.

9. **INDEMNITY**

- 9.1 The Issuer undertakes to indemnify and hold harmless, the Paying Agent and each of its directors, officers, employees or agents (each an “**Indemnified Party**”) against any losses, liabilities, properly incurred and documented costs, reasonable fees and expenses, claims (whether against the Issuer or any third party), actions, damages or demands (including, but not limited to, all properly incurred and documented costs, charges and reasonable expenses paid or incurred in disputing or defending the foregoing and the properly incurred and documented fees and reasonable expenses of one firm of legal counsel and one local counsel in each applicable jurisdiction, if required) which such Indemnified Party incurs or which have been made against it, as a result of or in connection with the appointment or the exercise of or performance of its powers and duties under this Agreement, except such as may result from its own gross negligence, wilful misconduct or fraud or that of its directors, officers, employees or agents. An Indemnified Party shall give the Issuer prompt written notice of the filing of any third party claim against such Indemnified Party or of notice to the Issuer of the commencement of any third party claim, cause of action, litigation, proceeding, action or investigation covered by the Indemnity, but the failure to so notify will not relieve the Issuer of any liabilities it may have to such Indemnified Party, except to the extent that the Issuer has been prejudiced by the Indemnified Party’s failure to give such notice. Each Indemnified Party may, with the prior written consent of the Issuer (such consent not to be unreasonably withheld or delayed), settle or resolve any claim, cause of action, litigation or proceeding and the Issuer shall pay any settlement amount; provided that, no Indemnified Party may settle a claim in a manner that would require anything other than the payment of money by the Issuer.
- 9.2 The indemnity contained in clause 9.1 above shall survive the termination and expiry of this Agreement.

10. **CONDITIONS OF APPOINTMENT**

- 10.1 The Paying Agent shall (a) hold all sums received from the Issuer in accordance with this Agreement, the Base Indenture and the Supplemental Indenture for payment of principal or any premium or interest on the Notes in trust for the benefit of the Trustee until such sums shall be paid to it or otherwise disposed of as provided in this Agreement, the Base Indenture and the Supplemental Indenture; provided that the Paying Agent shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuer; (b) give the Trustee notice of any default by the Issuer (or any other obligor upon the Notes) in the making of any payment of principal of or premium or interest on the Notes; and (c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums held by it in trust for payment in respect of the Notes.
- 10.2 No monies held by the Paying Agent need be segregated except to the extent required by law.
- 10.3 In acting under this Agreement and in connection with the Notes, the Paying Agent shall act solely as agent of the Issuer and, save solely in respect of its obligations under clause 10.1 hereof, shall not have any obligations towards or relationship of agency or trust with any of the Holders of the Notes or the Trustee.
- 10.4 The Paying Agent shall be obliged to perform such duties and only such duties as are specifically set out in this Agreement. No implied duties or obligations shall be read into such document. The Paying Agent shall not be obliged to perform any duties additional to or

different from such duties resulting from any modification or supplement after the date hereof to any relevant documents (including, without limitation, the Base Indenture or the Supplemental Indenture), unless it shall have previously agreed or subsequently agrees to perform such duties. The Paying Agent shall not be under any obligation to take any action hereunder which such party reasonably expects, and has thus notified the Issuer in writing, will result in any expense or liability of such Paying Agent, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it.

- 10.5 Except as ordered by a court of competent jurisdiction or as required by law, the Paying Agent shall be entitled to treat the Holder of any Note (as evidenced by the applicable Security Register) as the absolute owner thereof for all purposes (whether or not it is overdue and notwithstanding any notice to the contrary or any notice of ownership, trust or any interest in it, any writing on it, or its theft or loss) and shall not be required to obtain any proof thereof or as to the identity of the bearer or Holder.
- 10.6 The Paying Agent may consult with any qualified legal or other professional advisers (who may be an employee of or legal adviser to the Issuer) selected by it, at the reasonable cost of the Issuer, and the reasonable opinion of such advisers shall be full and complete protection in respect of any action taken, omitted or suffered hereunder in accordance with the written opinion of such advisers.
- 10.7 The Paying Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in good faith in reliance upon any written instruction, request or order signed in the name of the Issuer by its Chief Executive Officer and Chairman, its Chief Financial Officer, its Chief Administrative Officer and Chief Legal Officer, its General Counsel and Secretary, and its SVP, Treasurer (each such officer of the Issuer, an “**Authorized Officer**”), and delivered to the Paying Agent, or upon any Note, notice, resolution, written direction, consent, certificate, affidavit, statement, e-mail, facsimile transmission or other document or information from any electronic or other source, evidenced in writing and reasonably believed by it to be genuine and to have been signed or otherwise given or disseminated by an Authorized Officer in the manner required, even if it is subsequently found not to be genuine or to be incorrect.
- 10.8 The Paying Agent, whether acting for itself or in any other capacity, will not be precluded from becoming the owner of, or acquiring any interest in, holding or disposing of any Note or any shares or other securities of the Issuer or any of its Subsidiaries, holding or associated companies (each a “**Connected Company**”), with the same rights as it would have had if it were not acting as Paying Agent or from entering into or being interested in any contracts or transactions with any Connected Company or from acting on, or as depository, trustee or agent for, any committee or body of holders of any securities of any Connected Company and will not be liable to account for any profit.
- 10.9 The Paying Agent shall not be required to make any payments to any Holder of a Note if under any laws or regulations affecting the Paying Agent, such payment is not permitted. In the event of any such laws or regulations affecting the Paying Agent coming to the attention of the Paying Agent it shall forthwith notify the Issuer and the Trustee.
- 10.10 The Issuer shall do or cause to be done all such acts, matters and things and shall make available all such documents as shall be reasonably necessary to enable the Paying Agent to fully comply with and carry out its respective duties and obligations hereunder.
- 10.11 In no event shall the Paying Agent or any of its affiliates or any of their respective officers, directors, employees, agents, advisors or representatives (collectively, “**Agent Parties**”), have any liability for damages of any kind, except to the extent such liability is found in a final non-

appealable judgment by a court of competent jurisdiction to have resulted primarily from the gross negligence, wilful misconduct or fraud of the Paying Agent or its Agent Parties. In no event shall the Paying Agent or any Agent Parties on the one hand, or the Issuer or any of its affiliates or any of their respective officers, directors, employees, agent, advisors or representatives (collectively, “**Issuer Parties**”), on the other hand, have any liability for punitive, indirect, special, incidental or consequential damages or losses (whether in tort, contract or otherwise) and regardless of whether the Paying Agent or Agent Party or Issuer or Issuer Party, as the case may be, has been notified of the likelihood of such damages.

- 10.12 Notwithstanding anything contained in this Agreement to the contrary, the Paying Agent shall not incur any liability for not performing any act or fulfilling any obligation hereunder by reason of any event or circumstance beyond its reasonable control including, without limitation, (a) any governmental activity (whether de jure or de facto), act of governmental authority (whether lawful or unlawful), compliance with any governmental or regulatory order, rule, regulation or direction, curfew restriction, expropriation, compulsory acquisition, seizure, requisition, nationalisation or the imposition of currency or currency control restrictions; (b) any failure of or the effect of rules or operations of any funds transfer, settlement or clearing system, interruption, loss or malfunction of utilities, communications or computer services or the payment or repayment of any cash or sums arising from the application of any law or regulation in effect now or in the future, or from the occurrence of any event in the country in which such cash is held which may affect, limit, prohibit or prevent the transferability, convertibility, availability, payment or repayment of any cash or sums until such time as such law, regulation or event shall no longer affect, limit, prohibit or prevent such transferability, convertibility, availability, payment or repayment (and in no event, other than as provided in the Notes, shall the Paying Agent be obliged to substitute another currency for a currency whose transferability, convertibility or availability has been affected, limited, prohibited or prevented by such law, regulation or event or be obliged to pay any penalty interest); (c) any strike or work stoppage, go slow, occupation of premises, other industrial action or dispute or any breach of contract by any essential personnel; (d) any equipment or transmission failure or failure of applicable banking or financial systems; (e) any war, armed conflict including but not limited to hostile attack, hostilities, or acts of a foreign enemy; (f) any riot, insurrection, civil commotion or disorder, mob violence or act of civil disobedience; (g) any act of terrorism or sabotage; (h) any explosion, fire, destruction of machines, equipment or any kind of installation, prolonged breakdown of transport, radioactive contamination, nuclear fusion or fission or electric current; (i) any epidemic, natural disaster (such as but not limited to violent storm, hurricane, blizzard, earthquake, landslide, tidal wave, flood, damage or destruction by lightning, or drought); or (j) any other act of God.
- 10.13 The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of the Base Indenture, the Supplemental Indenture or for any other purpose, direct the Paying Agent to pay to the Trustee any or all sums held in trust by the Paying Agent; and, upon such payment by the Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to such money. Any money deposited with the Paying Agent in trust for the payment of the principal of or any premium or interest on the Notes remaining unclaimed for a period ending on the earlier of the date that is ten Business Days prior to the date such money would escheat to the state or two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer on the Issuer’s request and all liability of the Paying Agent with respect to such trust money shall thereupon cease.

- 11.2 The Paying Agent may resign its appointment hereunder at any time by giving to the Issuer not less than 30 days' written notice to that effect, which notice shall expire not less than 30 days before or after any due date for any payments in respect of any Notes.
- 11.3 Notwithstanding clauses 11.1 and 11.2 no such termination of the appointment of, or resignation by, the Paying Agent shall take effect until a successor has been appointed on terms approved by the Issuer or the Issuer has otherwise approved such resignation without a successor being appointed.
- 11.4 Notwithstanding any other provisions of clause 11.1, the appointment of the Paying Agent shall forthwith terminate if at any time such Paying Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver, administrator or other similar official of it or of all or any substantial part of its property or admits in writing its inability to pay or meet its debts as they mature or suspends payment thereof, or if a resolution is passed or an order made for its winding up or dissolution, or if a receiver, administrator or other similar official of it or of all or any substantial part of its property is appointed, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law, or if any public officer takes charge or control of such Paying Agent or its property or affairs for the purpose of rehabilitation, conservation, administration or liquidation or there occurs any analogous event under any applicable law.

Notice of any such merger, conversion, consolidation or transfer shall forthwith be given by the Paying Agent to the Issuer and the Trustee. Except as provided in this clause 11.6, the Paying Agent may not assign any of its rights and obligations hereunder, and any purported assignment in violation of this provision shall be null and void.
- 11.7 The Paying Agent may change its specified office to another office in London at any time by giving to the Issuer and the Trustee not less than 60 days' prior written notice to that effect, which notice shall expire not less than 30 days before or after any due date for any payments in respect of any Notes, and which notice shall specify the address of the new specified office and the date upon which such change is to take effect.

- 16.4 Notwithstanding anything to the contrary in this Agreement or in any other agreement, arrangement, or understanding among any such parties, each party hereto acknowledges that any liability of any party arising under this Agreement or any such other document, to the extent such liability is unsecured or not otherwise exempted, may be subject to the write-down and conversion powers of a Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

Fiserv, Inc.,

Brookfield, Wisconsin 53045.

Ladies and Gentlemen:

In connection with the registration under the Securities Act of 1933 (the "Act") of €800,000,000 aggregate principal amount of the 4.500% Senior Notes due 2031 (the "Securities") of Fiserv, Inc., a Wisconsin corporation (the "Company"), we, as your counsel, have examined such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion.

Upon the basis of such examination, it is our opinion that the Securities constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

In rendering the foregoing opinion, we are expressing no opinion as to Federal or state laws relating to fraudulent transfers and we are not passing upon, and assume no responsibility for, any disclosure in any registration statement or any related prospectus or other offering material relating to the offer and sale of the Securities.

The foregoing opinion is limited to the Federal laws of the United States and the laws of the State of New York, and we are expressing no opinion as to the effect of the laws of any other jurisdiction. With respect to all matters of Wisconsin law, we note that you have received an opinion, dated May 24, 2023 of Eric Nelson, the Company's SVP, General Counsel and Secretary. In rendering the foregoing opinion, we have assumed, without independent verification, that the Company is an existing corporation in good standing under Wisconsin law, and that the Securities have been duly authorized, executed and delivered under Wisconsin law.

We note that, as of the date of this opinion, a judgment for money in an action based on a Security denominated in euro in a Federal or state court in the United States ordinarily would be enforced in the United States only in United States dollars. The date used to determine the rate of conversion of the euro into United States dollars will depend upon various factors, including which court renders the judgment. Under Section 27 of the New York Judiciary Law, a state court in the State of New York rendering a judgment on a Security would be required to render such judgment in euro, and such judgment would be converted into United States dollars at the exchange rate prevailing on the date of entry of the judgment.

We have relied as to certain factual matters on information obtained from public officials, officers of the Company and other sources believed by us to be responsible, and we have assumed that the Indenture, dated as of November 20, 2007, and the Twenty-Ninth Supplemental Indenture, dated as of May 24, 2023, have been duly authorized, executed and delivered by the Trustee thereunder, an assumption which we have not independently verified.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the references to us under the heading "Validity of the Notes" in the Prospectus Supplement relating to the Securities, dated May 17, 2023. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

Ladies and Gentlemen:

In connection with the registration under the Securities Act of 1933 (the “Act”) of €800,000,000 aggregate principal amount of the 4.500% Senior Notes due 2031 (the “Securities”) of Fiserv, Inc., a Wisconsin corporation (the “Company”), I, as SVP, General Counsel and Secretary of the Company, have examined such corporate records, certificates and other documents, and such questions of law, as I have considered necessary or appropriate for the purposes of this opinion.

Upon the basis of such examination, it is my opinion that, (a) based solely on a Certificate of Status of the Wisconsin Department of Financial Institutions, the Company is a corporation validly existing under the laws of the State of Wisconsin, (b) the Securities have been duly authorized by all proper and necessary corporate action in respect of the Company and have been duly executed and delivered by the Company, and (c) the Securities constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles.

I note that, as of the date of this opinion, a judgment for money in an action based on the Securities in a Federal or state court in the United States ordinarily would be enforced in the United States only in United States dollars. The date used to determine the rate of conversion of the foreign currency or currency unit in which a particular Security is denominated into United States dollars will depend upon various factors, including which court renders the judgment.

In rendering the foregoing opinion, I am expressing no opinion as to Federal or state laws relating to fraudulent transfers and I am not passing upon, and assume no responsibility for, any disclosure in any registration statement or any related prospectus or other offering material relating to the offer and sale of the Securities.

The foregoing opinion is limited to the laws of the State of Wisconsin and I am expressing no opinion as to the effect of the laws of any other jurisdiction. With respect to all matters of the laws of the State of New York, I note that you have received an opinion, dated May 24, 2023 of Sullivan & Cromwell LLP, the Company’s outside counsel.

I have relied as to certain factual matters on information obtained from public officials, officers of the Company and other sources believed by me to be responsible, and I have assumed that the Indenture has been duly authorized, executed and delivered by the Trustee thereunder, an assumption which I have not independently verified.

I hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the references to me under the heading "Validity of the Notes" in the Prospectus Supplement relating to the Securities, dated May 17, 2023. In giving such consent, I do not thereby admit that I am in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,
