Date

1. These deferred compensation notional units were allocated under the Fisery. Inc. Non-Employee Director Deferred Compensation Plan (the "Plan"), under which director fees otherwise payable in cash may be deferred in exchange for the allocation of notional units under the Plan. This Form 4 reports the crediting of units under the Plan on March 31, 2010 in respect of \$17,500 of deferred compensation. The number of notional units credited is calculated by dividing the amount of compensation that is deferred by the closing price of the company's common stock on the date of deferral. On March 31, 2010, the closing price of Fiserv's common stock was \$50.76 per share.
